The Goosebumps HorrorLand book Monster Blood for Breakfast! would be the only Monster Blood book so far to buck that trend. Monster Blood acts similarly to the 1958 B-movie, The Blob , in that it is a slimy mass that grows and devours everything in its path. This movie was mentioned in the first Goosebumps movie.

Evan Ross can't forget about Monster Blood--the evil green slime that never stops growing. It can turn ordinary pets into ferocious animals and twelve-year-old kids into freakish giants. But now there's a new kind of Monster Blood in town. It comes in a can just like the others. Only difference is this slime is blue instead of green. And instead of just growing, it's multiplying--into terrifying blue creatures with razor-sharp teeth...

Evan and Andy find themselves in a sticky situation when they buy a can of "Monster Blood" in an old toy store and the contents, green and seemingly alive, begin to grow to terrible proportions. Original.
