A parody of Victorian erotica features drawings with missing portions to be supplied by the reader's hand

No society was ruder, or more prim, than the Victorians. One of their favourite pursuits, the long-forgotten art of erotic hand manipulation, has now been rediscovered and issued in book form. This is the only book with holes into which readers are invited to insert their fingers.

It was a fine morning in May, and the dull, little frequented High Street of the small country town called Rutshole seemed absolutely

cheerful, as if inspired by the exhilarating atmosphere. So at least thought Mr. Bonham, a portly widower of fifty or thereabouts, as having left his carriage at the inn, he proceeded down High Street leisurely, but with the usual solemnity on his countenance, (which he considered dignified and respectable) much lightened by the cheering weather. He stopped at the door of a small shop, on which was inscribed, 'Trabb, Hosier and Glover'. Here he entered. Now that capital woman of business, the widow Trabb, was engaged in suiting a stiff-necked old maid with a pair of mittens; but even if she had not been so occupied, we very much doubt if she would herself have attended to a gentleman customer. The worthy woman knew that there are other means of making a shop attractive besides the excellence and cheapness of the wares therein sold: and she had enlisted in her services a pretty girl of sixteen, whose remarkable grace and modesty had already attracted numerous young squires, young farmers, and officers from the neighbouring garrison town, as real or pretended customers, to the manifest advantage of Mrs. Trabb's till.

Few realize that women played a pivotal role in the development of science fiction. Even fewer know that feminist science fiction became popular in the late 19th and early 20th centuries. This collection contains a broad spectrum of this genre, many of which have been all but forgotten. Ten novels and short stories and two appendices round out this volume. Table of Contents: Herland By Charlotte Perkins Stetson Gilman Sultana's Dream By Rokheya Shekhawat Hossein Mizora: A Prophecy By Mary E. Bradley Man's Rights By Annie Denton Cridge Friend Island By Francis Stevens Three Hundred Years Hence By Mary Griffith A Wife Manufactured to Order By Alice W. Fuller Unveiling a Parallel By Alice Ilgenfriz Jones and Ella Merchant A Dream of the Twenty-First Century By Winnifred Harper Cooley The Republic of the Future By Anna Bowman Dodd Appendix 1: Biographical Sketches of the Authors Appendix 2: Other Notable Female Science Fiction

Congress and to run for the presidency. (Not Hillary Clinton)

A true classic! This is one of the best pieces of anti-war literature ever written. Marine Corps Major General Smedley Butler holds no punches in this indictment against the war profiteering racket and the unnecessary loss of life that is the end result of abhorrent industry.

The Way of a Man with a Maid (1908) is an erotic novel. Published anonymously, The Way of a Man with a Maid has long attracted controversy for its graphic depiction of rape, abuse, and incest, and continues to be read today as an important example of popular British erotica of the early twentieth century. Alternating between descriptions of sadomasochistic sex, the narrator's vindictive interior monologue, and a dark humor woven throughout, The Way of a Man with a Maid provides insight into the sexual fantasies of men from a bygone era. "I, the man, will not take up the time of my readers by detailing the circumstances under which Alice, the maid, roused in me the desire for vengeance which resulted in the way I adopted and which I am about to relate. Suffice it then to say that Alice cruelly and unjustifiably jilted me! In my bitterness of spirit, I swore that if I ever had an opportunity of getting hold of her, I would make her voluptuous person recompense me for my disappointment..." Casting himself as a sworn enemy of womankind, Jack, a jaded English gentleman, roams the streets in search of women to corrupt. As his power grows, increasing his circle of accomplices, he performs more daring—and often more disturbing—sexual acts. This graphic exploration of taboo, torture, and desire remains an important text in the history of erotica and obscenity laws, pushing the boundaries of Edwardian society while continuing to challenge our own. With a beautifully designed cover and professionally typeset manuscript, this edition of The Way of a Man with a Maid is a classic work of erotica reimagined for modern readers.

Venus in India (1889) is an erotic novel by Charles Devereaux. Published pseudonymously, the novel is styled as the autobiography of its fictional author, a young British Cavalry officer whose deployment in India is filled with romantic escapades. “The war in Afghanistan appeared to be coming to a close when I received sudden orders to proceed, at once, from England to join the First Battalion of my regiment, which was then serving there. I had just been promoted Captain and had been married about eighteen months.” Sent to India on a last minute military assignment, Captain Devereaux takes his time arriving at his final destination on the North West Frontier. Along the way, he stops in Nowshera and Cherat, where he wastes no time romancing the wives and daughters of his fellow soldiers. First with the lovely Lizzie Wilson, and then with the daughters of Colonel Selwyn, Charles Devereaux gives himself over to passion and desire, forgetting about his wife and young child at home. Graphic and graceful, comic and provocative, Venus in India is a shining example of nineteenth century erotica in which the power of words to arouse is on full display. With a beautifully designed cover and professionally typeset manuscript, this edition of Charles Devereaux’s Venus in India is a classic of Victorian erotica reimagined for modern readers.

Given free rein by her employer, Miss Martin, a stern but lovely governess, attempts to bring an entire family and its neighbors under her erotic dominion in this underground Victorian classic. The irresistible Miss Martin shakes up the neighborhood with her tawdry antics in this delightful, bawdy tale.
