Each novel has a backdrop of a real 1800s crime that paralyzed England: the Radcliffe Highway mass murders, the numerous attempts to assassinate Queen Victoria, and the first murder on an English train (on 1800s English trains, no one could hear you scream).

A brilliant historical mystery series begins: in gaslit Victorian London, writer Thomas De Quincey must become a detective to clear his own name. Thomas De Quincey, infamous for his memoir *Confessions of an English Opium-Eater*, is the major suspect in a series of ferocious mass murders identical to ones that terrorized London forty-three years earlier. The blueprint for the killings seems to be De Quincey's essay *On Murder Considered as One of the Fine Arts*. Desperate to clear his name but crippled by opium addiction, De Quincey is aided by his devoted daughter Emily and a pair of determined Scotland Yard detectives. A wildly entertaining and surprisingly educational dive into art history as you've never seen it before, from the host of the beloved ArtCurious podcast We're all familiar with the works of Claude Monet, thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm-room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed--or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? ArtCurious is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, ArtCurious presents an engaging look at why art history is, and continues to be, a riveting and relevant world to explore.

A quiet lakeside town in western New York state is the new home of Manhattan artist Chloe Abbington and the backdrop for murder in this series debut by Bailee Abbott. For Chloe Abbington, the transition from fine art painter in New York City to painting-event business owner in charming Whisper Cove is more than a little jarring. But when poison-pen journalist Fiona Gimble writes a viciously negative review of the newly opened Paint with a View, Chloe learns that critics are the same everywhere. And when she finds Fiona's body behind her shop with a painting knife in her neck, Chloe realizes that this picture-perfect town offers anything but peace and quiet. Suddenly, bustling Artisan Alley is a crime scene, and Chloe is the prime suspect. Her sister and business partner, Izzie, isn't much help--she's busy running the shop, and besides, she has secrets of her own. As shrewd Detective Barrett tries to paint her into a corner, Chloe soon finds that Fiona had plenty of enemies. The Whisper Cove Gazette columnist wielded her pen like a sword, slicing and dicing just about every shop owner in the lakeside town. With the help of her affectionate canine buddy, Max, Chloe sets out to prove that she's been framed for Fiona's murder. But she'd better learn the fine art of detection quickly, before the real killer paints the town red again. Otherwise, she may end up trading in her paint smock for an orange jumpsuit...or a green burial plot.

LEGENDARY THRILLER WRITER DAVID MORRELL TRANSPORTS READERS TO THE FOGBOUND STREETS OF LONDON, WHERE A KILLER PLOTS TO ASSASSINATE QUEEN VICTORIA. The year is 1855. The Crimean War is raging. The incompetence of British commanders causes the fall of the English government. The Empire teeters. Amid this crisis comes opium-eater Thomas De Quincey, one of the most notorious and brilliant personalities of Victorian England. Along with his irrepressible daughter, Emily, and their Scotland Yard companions, Ryan and Becker, De Quincey finds himself confronted by an adversary who threatens the heart of the nation. This killer targets members of the upper echelons of British society, leaving with each corpse the name of someone who previously attempted to kill Queen Victoria. The evidence indicates that the ultimate victim will be Victoria herself.

Dorothy and Alan become involved in the ensuing investigation, putting their local knowledge and sleuthing skills to good use once again. But when another member of the art faculty goes missing and someone receives threatening phone calls, it seems the killer still has something to hide and may very well strike again . . .

What connects the Romantic essays of Thomas De Quincey and the violent cinema of Brian De Palma? Or the "beautiful" suicides of Hedda Gabler and Yukio Mishima? Or the shootings of John Lennon and Ronald Reagan? In *The Aesthetics of Murder*, Joel Black explores the sometimes gruesome interplay between life and art, between actual violence and images of violence in a variety of literary texts, paintings, and films. Rather than exclude murder from critical consideration by dismissing it as a crime, Black urges us to ponder the killer's artistic role -- and our own experience as audience, witness, or voyeur. Black examines murder as a recurring, obsessive theme in the Romantic tradition, approaching the subject from an aesthetic rather than a moral, psychological, or philosophical perspective. And he brings into his discussion contemporary instances of sensational murders and assassinations, treating these as mimetic or cathartic activities in their own right. Combining historical documentation with theoretical insights, Black shows that the possibilities of representing violence -- and of experiencing it -- as art were recognized early in the nineteenth century as logical extensions of Romantic theories of the sublime. Since then, both traditional art forms and the modern mass media have contributed to the growing aestheticization of violence.
