yourself? Powered by the highly accessible d00Lite system, Sigil & Shadow focuses squarely on the story rather than the mechanics - who the characters are and what they do, not how they do it. Easy to adopt to any mythos, campaigns can be built around a wide range of plots, with players taking the role of anything from paranormal investigators and monster hunters to members of occult cabals or secret societies. The setting offered sees a modern world buffeted by the tides of supernatural power, where beings of myth wake from their slumber while modern

The Zaharets, the land between the Vori Wastes and the Plains of Aeco, is well-known as the Land of Risings. Dominated by the rising city-states of Ameena Noani and Sentem, facing each other along the great War Road, the Zaharets has always been home to powerful civilizations. Scars abound from the wars between ruined Keta in the north and Gerwa in the south. And, far to the east, the legends of Muadah still beckon occultists and Jackals who seek to plunder its corrupted ruins.
