Alek Khederian should have guessed something was wrong when his parents took him to a restaurant. Everyone knows that Armenians never eat out. Why bother, when their home cooking is far superior to anything "these Americans" could come up with? Between bouts of interrogating the waitress and criticizing the menu, Alek's parents announce that he'll be attending summer school in order to bring up his grades. Alek is sure this experience will be the perfect hellish end to his hellish freshmen year of high school. He never could've predicted that he'd meet someone like Ethan. Ethan is everything Alek wishes he were: confident, free-spirited, and irreverent. When Ethan gets Alek to cut school and go to a Rufus Wainwright concert in New York City's Central Park, Alek embarks on his first adventure outside the confines of his suburban New Jersey existence. He can't believe a guy this cool wants to be his friend. And before long, it seems like Ethan wants to be more than friends. Alek has never thought about having a boyfriend—he's barely ever had a girlfriend—but maybe it's time to think again. Michael Barakiva's One Man Guy is a romantic, moving, laugh-out-loud-funny story about what happens when one person cracks open your world and helps you see everything—and, most of all, yourself—like you never have before.

Jeffrey has a little soul searching to do, too, which begins with his escalating anger at Steven, an old friend who is keeping something secret, and a girl who is way out of his league but who thinks he's cute.

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for **CROSSED**, the sequel to **MATCHED**, in Fall 2011! Watch a Video

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives: about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic
