A young Kenyan boy with disabilities named Muthini lives with his grandmother and eight cousins, but when his grandmother is no longer able to take care of him the two set out on a journey that will change the young boy's life, and his name, forever.

Based on the life of a real boy, this warm-hearted, beautifully illustrated book tells the story of Baraka, a young Kenyan boy with a physical disability. Baraka and eight cousins live with their grandmother. She gives them boundless love, but there is never enough money or food, and life is hard --love doesn't feed hungry stomachs or clothe growing bodies, or school keen minds. Baraka is too young, and, with his disability, needs too much, and she is too old. A difficult choice must be made, and grandmother and grandchild set off on a journey to see if there is a place at the orphanage for Baraka. The story begins by looking at Baraka's physical disability as a misfortune, but ends by looking beyond the disability, to his great heart and spirit, and the blessings he brings.

29 Our eyes, ears, heart and soul must be open to the greatness that the universe brings to us. At our best and even our worst there is a blessing with our name on it. 29

Astrid Bjorklund tries to stop the horrific epidemic that is ravaging the Red Bud Indian Reservation in South Dakota, but when the man she loves cannot accept her calling to become a doctor, she faces a difficult choice.

A beautiful story about adoption—and how each child is a blessing. Every night before she goes to sleep, a kangaroo prays under the stars for a baby to love and hold. One day, as she rests under a tree, a baby bird falls out of its crowded nest—plop!—right into her pouch! Now, every night before they fall asleep, Momma-Roo and Little One thank God for all their blessings . . . but especially for each other. The book closes with a quote from Ephesians 1:5: “ In love he destined us for adoption to himself. . . . ”

Nutaaq and her older sister, Aaluk, are on a great journey, sailing from a small island off the coast of Alaska to the annual trade fair. There, a handsome young Siberian wearing a string of cobalt blue beads watches Aaluk "the way a wolf watches a caribou, never resting." Soon his actions—and other events more horrible than Nutaaq could ever imagine—threaten to shatter her I-nupiaq world. Seventy years later, Nutaaq's greatgranddaughter, Blessing, is on her own journey, running from the wreckage of her life in Anchorage to live in a remote Arctic village with a grandmother she barely remembers. In her new home, unfriendly girls whisper in a language she can't understand, and Blessing feels like an outsider among her own people. Until she finds a cobalt blue bead—Nutaaq's bead—in her grandmother's sewing tin. The events this discovery triggers reveal the power of family and heritage to heal, despite seemingly insurmountable odds. Two distinct teenage voices pull readers into the native world of northern Alaska in this beautifully crafted and compelling debut novel.

In My Grandfather's Blessings, Rachel Naomi Remen, a cancer physician and master storyteller, uses her luminous stories to remind us of the power of our kindness and the joy of being alive. Dr. Remen's grandfather, an orthodox rabbi and scholar of the Kabbalah, saw life as a web of connection and knew that everyone belonged to him, and that he belonged to everyone. He taught her that blessing one another is what fills our emptiness, heals our loneliness, and connects us more deeply to life. Life has given us many more blessings than we have allowed ourselves to receive. My Grandfather's Blessings is about how we can recognize and receive our blessings and bless the life in others. Serving others heals us. Through our service we will discover our own wholeness—and the way to restore hidden wholeness in the world.

Your Name Is Your Blessing: Hebrew Names and Their Mystical Meanings represents the first time that the secrets of the Kabbalah, the mystical teachings of Jewish spiritual leaders, were introduced to the general public for the purpose of explaining the profound meanings hidden in every person 's name. Even now, Your Name is Your Blessing remains alone in its application of Kabbalistic teachings to the choice and understanding of one 's name. A name tells a story that captures a person 's character and personality, and Your Name Is Your Blessing, Benjamin and Elaine Blech provide a guide to understanding what your name says about you and your life. The Blechs give the gematria—the total numerical value of a word, which is the starting point for kabbalistic analysis—for hundreds of names, as well as Biblical words, phrases, and blessings associated with this numerical value.

NEW YORK TIMES BESTSELLER • In Danielle Steel 's remarkable new novel, one of her most memorable characters comes to terms with unfinished business and long-buried truths as the mother of three very different daughters with three singular fathers. As a young intern at an art gallery in Paris, Isabelle McAvoy meets Putnam Armstrong, wealthy, gentle, older, and secluded from the world. Isabelle 's relationship with Putnam, and her time at his château on the Normandy coast, are the stuff of dreams. But it turns real when she becomes pregnant, for she knows that marriage is out of the question. When Isabelle returns to New York, she enters a new relationship that she hopes will be more stable and traditional. But she soon realizes she has made a terrible mistake and again finds herself a single mother. With two young daughters and no husband, Isabelle finally and unexpectedly finds happiness and a love that gives her a third child, a baby as happy as her beloved father. And yet, once again, life brings dramatic changes. The three girls grow up to be very different women, and Isabelle 's relationship with each of them is unique. While raising her girls alone, Isabelle also begins building a career as a successful art consultant. Then one final turn of fate brings a past secret to light, bonds mother and daughters closer, and turns a challenge into a blessing.
