Personalize learning, one student at a time. Today, reaching every student can feel out of reach. With MyLab and Mastering, you can connect with students meaningfully, even from a distance.

The most authoritative text for American Government, Government By the People is always one step ahead. Building on a long tradition of clear and accessible writing, sound scholarship, and currency, it has become the most reliable, responsive, and respected text for today's American government course. Its distinguished author team addresses your needs and the needs of your students in every edition--with the most innovative response to teaching trends, as well as trends in the discipline. With this text's essential foundation, students will be set to respond--as involved American citizens--to the political issues facing their country, and their world, in the twenty-first century.

Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, this accessible text illustrates the impact that government has on the daily lives of each and every American, particularly its effect on students. Through engaging and interactive boxed features and a focus on the issues that matter to most, this practical text motivates readers to become active participants in our political system, and helps overcome apathy toward government. The brief edition of this bestselling text includes the streamlined content of the comprehensive version.

This access code card gives you access to all of MyPoliSciLab's tools and resources. Want a complete eText of your textbook, too? Buy immediate access to MyPoliSciLab with Pearson eText online with a credit card at www.myartpoliscilab.com. With an emphasis on public policy and active learning, this popular and highly accessible text introduces the essentials of Texas government and its often colorful politics in a way that any student can understand. An abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style makes the material accessible to students of every level. Showing students the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages students in the course material and encourages them to become active participants in the course and their government. This text is part of the "Pearson Study Edition" series and contains a battery of practice chapter tests for student self study and review. MyPoliSciLab is an integral part of the Tannahill program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations.

For courses in American government A result of time-tested scholarship, *Government by the People* gives a hopeful but realistic perspective on American government and emphasizes the role people play in our constitutional democracy. Prentice Hall is extremely proud to publish the book that remains the most reliable, responsive, and respected text for use in colleges and universities in every state of the nation. For over 50 years, this is the book that has always remained one step ahead of all the others by anticipating your needs as an educator and your students' needs as learners. Now in its twenty-second edition, *Government by the People* continues this tradition. We are entering a very complex political era and there is no better text poised to take students from being simple onlookers to knowledgeable participants in the American political experience. The level of scholarship of the *Government by the People* author team, as well as the way in which they treat each new edition as a fresh challenge, is clearly represented in this new edition.

This convenient Portable Version of Edwards/Wattenberg/Lineberry, *Government in America: People, Politics, and Policy* features all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, *Government in America* illustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, and helping overcome the biggest challenge instructors face in this course -- student apathy toward government.

Guided by the belief that students must first understand how American government developed to fully understand the issues facing the United States in the 21st century, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation. *American Government: Continuity and Change*, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to the conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which

shared American values shape and affect policy and influence key political conflicts.

This critical thinking approach to American government asks students to evaluate the quality of democracy in America today within a unique framework that offers a holistic view of our system. The eighth edition of this best-selling text has been completely updated through the 2006 midterm elections. Continuing to offer its lively, critical thinking approach to the course, *The Struggle for Democracy* is organized around two themes: "Using the Democracy Standard" and "Using the Framework." The first theme, woven throughout the narrative of the entire book, asks students to evaluate the health and vitality of American democracy today against a "democratic ideal" that is carefully defined in the first chapter. The text's second theme, "Using the Framework," asks students to look at the structures underlying our political systems such as the economy, society, cultural values, technology and examine how these structures affect, and are affected by, our political system.

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books à la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version — allowing students to take only what they need to class. As an added bonus, each Books à la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books à la Carte Plus titles cost less than a used textbook! Building on decades of authoritative scholarship, this completely updated text continues to offer accessible, carefully crafted, and straightforward coverage of the foundations of American politics, as well consistent focus on the achievements of a government by the people. In an increasingly cynical world, GBTP emphasizes that politics matters and encourages, motivates, and even inspires students—with accounts of individual and collective acts of courageousness, intellect, and integrity in the political arena—to be effective and informed citizens. With each chapter now framed by nationally-selected learning objectives and chapter mastery self-tests, several compelling new features, and an all new contemporary design, this thoroughly updated Twenty-Third Edition continues in the book's long tradition for excellence. The Brief Edition includes the same coverage as the comprehensive version, but in a more streamlined format. As we enter this very complex political era, there is no more reliable or more relevant text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE This access code card gives you access to all of MyPoliSciLab's tools and resources. Want a complete eText of your textbook, too? Buy immediate access to MyPoliSciLab with Pearson eText online with a credit card at www.mypoliscilab.com. Learn how American politics affect public policy. Adopting a public policy approach to American politics, "Government in America" looks at government's impact on the daily lives of Americans. This text introduces the main features of American politics and asks "how should we govern?" and "what should government do?" In looking at the evolving nature of our democracy and the changing scope of our government, "Government in America" helps students see that politics drives what government can-or cannot do-for the people. A better teaching and learning experience. This

Read Free Mypoliscilab Chapter Exams

program provides a better teaching and learning experience-for you and your students. Here's how:

- "Personalize Learning." Reach every student at each stage of learning, engage them in active rather than passive learning, and measure that learning. Refined after a decade of real-world use and compatible with learning management systems like Blackboard, the new MyPoliSciLab is a customizable digital learning experience that supports each individual student's and educator's success.
- "Emphasize Outcomes." Keep students focused on what they need to learn. A new design facilitates print and digital reading experiences and turns this book's learning objectives into a clear learning path. On MyPoliSciLab, practice tests help students achieve these objectives by creating personalized study plans.
- "Engage Students." Students-each one is different. Reach "all" of them with the new MyPoliSciLab Video Series, which features this book's authors and top political scientists discussing the big ideas in each chapter and applying them to enduring political issues.
- "Improve Critical Thinking." Students get a lot of information about politics; your challenge as an instructor is to turn them into critical consumers of that information. Using interactive data to answer political questions introduced in this book's infographics, Explorer is a hands-on way to develop quantitative literacy and to move students beyond punditry and opinion.
- "Analyze Current Events." Prepare students for a lifetime of following political news. Both in this book and on MyPoliSciLab, coverage of the 2012 elections and more keeps politics relevant and models how to analyze development in the American political system. Get up-to-the-minute analysis on MyPoliSciLab's blogs or reflect on a theoretical case with a simulation.
- "Support Instructors." Make more time for your students with instructor resources-Test Bank, Instructor's Manual, and PowerPoint Presentation with Classroom Response System (CRS)-that offer effective learning assessments and classroom engagement.
