From the same author as the popular first edition, the second edition of this trusted, accessible textbook is now accessible online, anytime, anywhere on Kerboodle. It breaks down content into manageable chunks to help students with the transition from GCSE to A Level study, and has been fully revised and updated for the new A Level specifications for first teaching September 2015. This online textbook provides plenty of examples and practice questions for consolidation of learning, with 'Biology at Work', 'Key Skills in Biology' and 'Study Skills' sections giving many applications of biology throughout. Suitable for AQA, OCR, WJEC and Edexcel.

Now there is a comprehensive reference to provide tools on implementing an energy audit for any type of facility. Containing forms, checklists and handy working aids, this book is for anyone implementing an energy audit. Accounting procedures, rate of return, analysis and software programs are included to provide evaluation tools for audit recommendations. Technologies for electrical, mechanical and building systems are covered in detail.

Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution. According to the Bible, all of these modern-day assumptions miss what marriage is all about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married recently or for a long time. Sessions include: Service: Marriage Isn't about You Covenant: Created to Make Promises Roles: Loving through Mutual Submission Singleness: Strengthening the Spiritual Family Sex: The Act of Covenant Renewal Hope: Seeing the Great Horizon Designed for use with The Meaning of Marriage Video Study (sold separately).

This workbook is designed to build proficiency in algebra for students who want to progrss beyond algebra at Level 2, or achieve a GCSE Mathematics Grade A or A*, or move with confidence into AS Mathematics.

After World War 2, there was a major revival movement where healing ministry played a huge part with renewed belief and emphasis in divine healing among many Christians. This book shows how the apostolic age has not ended and details the author's journey to the discovery that miracles are alive and well even today. After World War 2, there was a major revival movement where healing ministry played a huge part with renewed belief and emphasis in divine healing among many Christians. This book shows how the apostolic age has not ended and details the author's journey to the discovery that miracles are alive and well even today.

"in2 Physics addresses the Physics package written specifically for the NSW Physics syllabus. The package comprehensively addresses all dot points of the syllabus, and prepares students for the HSC Physics examinations"--Publisher's website.

Following on from Introducing Pure Mathematics by Smedley and Wiseman, Further Pure Mathematics covers in one volume all the pure mathematics required by students taking further mathematics. It also provides the basics for mathematics encountered in Higher Education. A clear text is supported by worked examples, exercises, and examination questions. The two books will cover the requirements of Pure Mathematics as part of double-certification Mathematics for any examinations board. · Clearly written explanations and graded worked examples to help students when they are studying alone · Wide variety of exercises · Comprehensive selection of recent exam questions from all the major examination boards
