These five biographies provide the first complete survey of Italian opera from the early buffo operas of Rossini to Verdi's great masterpieces, *Otello* and *Falstaff*, and the verismo operas of Puccini. Andrew Porter has been highly praised for his original and enlightening account of Verdi, and Philip Gossett has received similar acclaim for his treatment of Rossini. Porter, Gossett, William Ashbrooke, Julian Budden, Mosco Carner, and Friedrich Lippmann, all acknowledged experts in the field of Italian opera, combine to offer insight into the traditions and workings of one of the most fascinating periods in the history of opera. Book jacket.

This 2004 Companion provides a biographical, theatrical and social-cultural

## Read Online Nabucco Ricordi Opera Vocal Score Series

background for Verdi's music, examines in detail important general aspects of its style and method of composing, and synthesizes stylistic themes in discussions of representative works. Aspects of Verdi's milieu, style, creative process and critical reception are explored in essays by highly reputed specialists. Individual chapters address themes in Verdi's life, his role in transforming the theater business, and his relationship to Italian Romanticism and the Risorgimento. Chapters on four operas representative of the different stages of Verdi's career, Ernani, Rigoletto, Don Carlos and Otello synthesize analytical themes introduced in the more general chapters and illustrate the richness of Verdi's creativity. The Companion also includes chapters on Verdi's non-operatic songs and other music, his creative process, and scholarly writing about Verdi from the nineteenth-century to the present day.
