Things to do

C'est plus prolongé qu'une « brève rencontre », c'est un amour construit sur des ruines entre Napoli et Firenze! Donc fragile et voué à la rédemption tel le final de "Casablanca".

Donato De Simone WORLD WAR II EVENTS NARRATED FROM THE PERSPECTIVE OF THE CHILDREN CAUGHT IN THE WEB OF ADULT INSANITY A young boy . . . a beautiful town . . . stalked by the Nazis bombed by the Allies . . . hiding Jewish refugees Abruzzos mini-holocaust . . . meeting Padre Pio escape to a new life in America Growing up in the tranquility of the Abruzzo region of Italy, Donato De Simone, Danny to his friends, was abruptly plunged into the violence of war as the Germans and Allies contested for the Sangro River in a major World War II battle. Now, after decades of pondering the meaning of these events, Danny recalls the drama of his times. Mixing humorous touches with his graphic descriptions, he creates for his readers a vivid picture of life in wartime: the nomadic journeys trying to escape the Nazis; the drama of a downed British airman sheltered by his grandfather in a barn; the little-known story of Jewish refugees hidden from the exterminators by sympathetic Italians; watching Allied bombers shot down by German anti-aircraft batteries and sent crashing into the Adriatic Sea; finally finding his home destroyed. These are the circumstances under which Danny grew up. His shrewd mothers planning enabling her family to escape German terror, the family's hardships as they slept in a hastily-constructed air raid shelter, titanic efforts to avoid stepping on personnel or anti-car mines, praying that bombs from both sides would miss them all are created anew by this masterful story-teller. The normal educational patterns having been disrupted by war, Danny struggled to learn in makeshift classrooms. After finally succeeding in rejoining his father to America, Danny faced further challenges trying to adjust to a new life, a new culture and a new language. Finally returning to Italy, he married Anna Maria, his childhood sweetheart and fellow war survivor. Returning to America at the urging of Anna Maria's father, former U.S. Army private Ernesto Fantini, Danny sailed the Andrea Doria the trip before she sank! Danny and Anna Maria raised their family in Norristown, Pa., and on June 2, 2006, they celebrated their fiftieth wedding anniversary. We must have done something wrong, Danny quips. In fifty years we never even had a serious argument! Danny met Padre Pio da Pietrelcina, now Saint Pio, twice as a teenager before coming to America, and once in 1956 together with Anna Maria on their honeymoon. It was an unforgettable experience for both to go to confession and receive Holy Communion from the sainted man who bore on his body the signs of the crucifixion. De Simone does a superb job personalizing the historical record, for his account teaches us what it means to suffer the concrete effects of the abstract decisions made by the generals and dictators and kings - what it means to be the family member whose home is bombed, to be the farmer whose field is mined, to be the child who has seen too much death. Prof. Millicent Marcus Yale University His narrative is most interesting and disturbing at the same time as we realize that so many innocent people, especially the children, were caught in the middle of such insane violence. This is a book for all to read, especially the young. Most Rev. Louis A. De Simone, D. D. Auxiliary Bishop Emeritus Archdiocese of Philadelphia . . . fascinatingly human, fast-reading, well-written. Prof. James T. McDonough St. Josephs University Philadelphia

Amoresano è cresciuto a Bagnoli con i nonni, una famiglia semplice con una vita fatta di piccoli gesti, bestemmie senza cattiveria e una saggezza popolare che tocca il cuore delle cose. Ora Amoresano vive con i genitori a Soccavo, va all' università. Osserva tutti e parla poco, la storia con la fidanzata non va, il suo rifugio è la lettura, le frasi che annota sono la sua ribellione silenziosa. Suona la chitarra e, a volte, sogna quasi di fare un disco con l' amico Angelo, che freme per fuggire a Londra. Nel mondo di Amoresano, sui treni che prende girando attorno a Napoli e ai suoi desideri, il pensiero torna sempre a quella nonna che l' ha cresciuto e che gli pare più avanti di tutti, che preferisce i murales ai muri abbandonati, che sa scegliere il momento migliore per arrabbiarsi, che insegna a voler bene alle persone giuste. Come cambia la nostra vita quando dobbiamo fare a meno di ciò a cui teniamo di più? Amoresano rincorre la sua risposta nei passi fino alla tabaccheria di Maria Rosaria, nella traiettoria di quello sguardo diverso eppure uguale, dentro le notti di un' estate calda e possibile, a

scambiarsi libri e film come domande, millimetri di pelle come tentativi. Una ricerca confusa e inquieta che rimbalza sul terrazzo di Anna, in un' isola fuori stagione, a bordo di motorini lanciati nei viali della città a improvvisare fughe, a scrivere ritirate. Nuotando nella memoria, il suo bene più urgente, osando e rifiutando bellezza, che pure non basta quando pensiamo di non meritarsela, inseguendo un dolore inevitabile per vedere fin dove ne arrivano le diramazioni, Amoresano scopre il prezzo rovente dell' amore che abbiamo ricevuto e di quello che non sappiamo dare. Alessio Forgione, dopo Napoli mon amour e Giovanissimi (candidato al premio Strega 2020), torna con un folgorante romanzo di fallimenti e conquiste, un nuovo, impetuoso lessico familiare del nostro tempo.

Siren is a collection of black-and-white photographs taken by Johnnie Shand Kydd between 2000-2008 of Naples, seductively known as the Siren City. Though located in one of the most sublime settings in the world, it's still a city that has been at worst abused and at best neglected over the years that followed the unification of Italy in 1860. There is much of beauty and Shand Kydd undoubtedly captures the light, vivacity and carnality of Naples as well as the darker side and paganism so inherent here. Every street and piazza is a stage. Soldiers strike a pose and old ladies reach for their fans with an odd mixture of pride and innocence. His photographs retain that 19th century whiff of the magical. It would be easy to paint too bleak an image of Naples but he captures much hilarity, expressing a unique coupling of grief and humour. The book is edited by Mark Holborn.

Candide is the picaresque tale of the titular character's fantastical journey from an insular, idealized life in a picturesque castle through the difficulties and evils of the real world. Satirical, comical, witty, and cutting, Candide was widely banned in its day for containing blasphemous and seditious concepts. Despite that, it survived controversy to become an important book in the Western literary heritage. Today Candide remains a breezy and darkly funny read. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

English translation (1561) of the 1528 text which portrays Renaissance court society in Italy
