Book 1 presupposes no previous knowledge of English. It starts with the basics, everyday vocabulary, and the present tense of to be. It proceeds in a structured sequence through possessive adjectives and pronouns; the present tense of regular verbs; negative statements; questions; object pronouns; the past, future and present continuous tenses; and specific structures such as who/whom, who/which, much/many, also/too, this/that, and say/tell.

This Text and Atlas provides ophthalmic surgeons with the latest advances in phaco surgery. Divided into ten sections, the books guides clinicians through incision, instruments, and eyeball position for surgery, to numerous different surgical procedures including intraocular lens implantation. The text is further enhanced by high quality photographs and illustrations. The book aims to help surgeons record and analyse their own cases and learn from experience.
