This mystical place is home to Cadderly, a young cleric who lives a peaceful life of scholarship and invention. When a vicious curse is unleashed on the library, Cadderly must set aside his pursuit of knowledge to lead a motley team of monks, dwarves, and druids—and one alluring young warrior monk named Danica—into the catacombs of the library and a perilous fight against evil. There, the friends must join together as a group of unlikely heroes to save their home from the destruction already pulsing through its walls.

Even so, it becomes clear to one matriarch after another that while the renegade drow may come and go, Menzoberranzan, the City of Spiders will crawl forever on. And so Drizzt is free to return to his home on the surface once again. Scores are settled as lives are cut short, yet other lives move on. For the lone drow there is only a single final quest: a search for peace, for family, for home—for the future.
