Guardian

The first-ever insider account of Camp David, the president's private retreat, on the seventy-fifth anniversary of its inception. Never before have the gates of Camp David been opened to the public. Intensely private and completely secluded, the president's personal campground is situated deep in the woods, up miles of unmarked roads that are practically invisible to the untrained eye. Now, for the

## Download File PDF Night Of Camp David

first time, we are allowed to travel along the mountain route and directly into the fascinating and intimate complex of rustic residential cabins, wildlife trails, and athletic courses that make up the presidential family room. For seventy-five years, Camp David has served as the president's private retreat. A home away from the hustle and bustle of Washington, this historic site is the ideal place for the First Family to relax, unwind, and, perhaps most important, escape from the incessant gaze of the media and the public. It has hosted decades of family gatherings

for thirteen presidents, from Franklin D. Roosevelt to Barack Obama, including holiday celebrations, reunions, and even a wedding. But more than just a weekend getaway, Camp David has also been the site of private meetings and high-level summits with foreign leaders to foster diplomacy. Former Camp David commander Rear Admiral Michael Giorgione, CEC, USN (Ret.), takes us deep into this enigmatic and revered sanctuary. Combining fascinating first-person anecdotes of the presidents and their families with storied history and interviews with commanders

## Download File PDF Night Of Camp David

both past and present, he reveals the intimate connection felt by the First Families with this historic retreat.

The former dean of the Yale School of Management and Undersecretary of Commerce in the Clinton administration chronicles the 1971 August meeting at Camp David, where President Nixon unilaterally ended the last vestiges of the gold standard—breaking the link between gold and the dollar—transforming the entire global monetary system. Over the course of three days—from August 13 to 15, 1971—at a secret meeting

## Download File PDF Night Of Camp David

at Camp David, President Richard Nixon and his brain trust changed the course of history. Before that weekend, all national currencies were valued to the U.S. dollar, which was convertible to gold at a fixed rate. That system, established by the Bretton Woods Agreement at the end of World War II, was the foundation of the international monetary system that helped fuel the greatest expansion of middle-class prosperity the world has ever seen. In making his decision, Nixon shocked world leaders, bankers, investors, traders and everyone involved in global

finance. Jeffrey E. Garten argues that many of the roots of America's dramatic retrenchment in world affairs began with that momentous event that was an admission that America could no longer afford to uphold the global monetary system. It opened the way for massive market instability and speculation that has plagued the world economy ever since, but at the same time it made possible the gigantic expansion of trade and investment across borders which created our modern era of once unimaginable progress. Based on extensive historical research and interviews with

## Download File PDF Night Of Camp David

several participants at Camp David, and informed by Garten's own insights from positions in four presidential administrations and on Wall Street, *Three Days at Camp David* chronicles this critical turning point, analyzes its impact on the American economy and world markets, and explores its ramifications now and for the future.

"Originally published in hardcover in the United States by Alfred A. Knopf, a division of Penguin Random House LLC, New York, in 2014"--Title page verso.

The former special advisor and press secretary to President Ronald Reagan shares a “sentimental but often revealing...enjoyable walk down Memory Lane” (Kirkus Reviews)—told through the movies he watched with the Reagans every week at Camp David. Over the course of eight years, Mark Weinberg travelled to Camp David with Ronald and Nancy Reagan as they screened movies on Friday and Saturday nights. They watched movies in times of triumph, such as the aftermath of Reagan’s 1984 landslide, and after moments of tragedy, such as the explosion of the Challenger

and the shooting of the President and Press Secretary Jim Brady. Weinberg's unparalleled access offers a rare glimpse of the Reagans—unscripted, relaxed, unburdened by the world, with no cameras in sight. Each chapter discusses a legendary film, what the Reagans thought of it, and provides warm anecdotes and untold stories about his family and the administration. From Reagan's pranks on the Secret Service to his thoughts on the parallels between Hollywood and Washington, Weinberg paints a full picture of the president *The New Yorker*
