The London Underground is used by over 2 million passengers every day on normal times, with 270 stations spread across the city. While many of us regularly hop on the tube for our journeys around London and know where to change on our daily commute, it's not very often that we stop and think about the origins behind some of the strangest station names.

The 9/11 attacks were a big, bad, crazy time in American history. It can be hard to wrap your head around all of the facets of that terrible day, which is probably why some people don't bother and instead invent elaborate conspiracies wherein the Koch brothers staged the whole thing to get a discount on airfare or something.

The official story of the failed air defenses on 9/11 was changed several times and, in the end,  
paradoxically exonerated the military by saying that the military had lied many times about its  
response. The man who was behind several of the changing accounts was a specialist in  
political warfare (i.e. propaganda).

The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. The stories: A Perfect Day for Bananafish Uncle Wiggily in Connecticut Just Before the War with the Eskimos The Laughing Man Down at the Dinghy For Esmé--with Love and Squalor Pretty Mouth and Green My Eyes De Daumier-

The first biography to give Mary Anne Lewis her due and to examine her singular marriage to Benjamin Disraeli When Mary Anne Lewis met Benjamin Disraeli, she was married to Wyndham Lewis, a rich, mildly successful politician at the center of nineteenth-century British high society. The three became friends and with his deep pockets Wyndham helped Disraeli—young, ambitious, and swimming in debt—get his start in the political arena. Mary Anne even referred to him as her "Parliamentary protégé." But when Wyndham suddenly died of a heart attack, Mary Anne's friendship with Disraeli (fifteen years her junior) soon evolved into a peculiarly romantic and undoubtedly advantageous marriage: Mary Anne avoided life as a

## Read Free Nine 9 Strange Stories The Rocking Horse Winner Heartburn The Snail Watcher Mcrypt Found In A Police State The

widow, while Benjamin used her financial means to stay out of prison and make a run for office. Anecdotally the Disraelis cultivated an outrageous reputation. Once asked if he had read any new novels, Benjamin reportedly replied, "When I want to read a novel, I write one." Mary Anne, on the other hand, supposedly once told Queen Victoria that she always slept with her arms around her husband's neck. "My wife is a very clever woman," Benjamin said, "but she can never remember who came first, the Greeks or the Romans." An unusual story of Victorian romance and politics, Mr. and Mrs. Disraeli moves beyond the anecdotes to reveal the interior life of one of Britain's most influential couples. Often eclipsed by Benjamin, Mary Anne had at least as much political acumen as her husband, and this dual biography shows that she was frequently his voice of reason. In the wake of British Romanticism, Daisy Hay examines the paths available to women like Mary Anne, and chronicles a relationship that is surprising, unconventional, and deeply inspiring.

A major source for the heroic and mythological traditions of northern Europe. '[The translation] is a masterpiece . . . the [Commentary] will doubtless prove of the greatest interest to historians.' ENGLISH HISTORICAL REVIEW
