It was the first time Nissan introduced a CVT transmission for the Micra in addition to its 5-speed manual and 4-speed automatic as well. In 1993 the Micra won the European Car of the Year, and sales skyrocketed through the roof. Some six years after it made its debut, Nissan updated the Micra with a minor facelift in 1998.

This Handbook explores the challenges population change poses to today's Japan. Bringing together a roster of internationally renowned scholars, it is the first publication in English that deals with Japan's demographic crisis in a comprehensive way, addressing social, economic, political, social security and cultural aspects of Japan's transition.
