Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

Businessmen and managers, consultancy clients, readers of the Goldratt novels, and workshop attendees often ask: What is this Theory of Constraints? How can it benefit me? How is it different from other management theories? Is there something I can read to quickly understand its fundamentals? This book is an answer to these questions. Using engaging language and offering many real-life examples, it provides an overview of the methods and tools of the Theory of Constraints: Drum-Buffer-Rope, Buffer Management, Throughput Accounting, Pull Distribution, Irresistible Offer, Corporate Strategy, and Viable Vision. You will learn how to recognize and use constraints, how to complete projects quickly and reliably, and how to gain a competitive lead and to turn it into profit.

"Based on the business novel, The Goal: A process of ongoing improvement by Eliyahu M. Goldratt and Jeff Cox."

After reading the newspapers and following the sharp oscillations of the stock market, it becomes apparent that hi-tech companies are of a different breed. Never before have the chances of making a fortune been so realistic and never before have large companies been so fragile. What is really going on inside these hi-tech companies? What types of pressures and challenges are they facing? And how do they cope? Computer software providers, especially the ones that specialise in handling the data needs of organizations, are prime examples of these volatile companies. In the nineties we witnessed their growth from small businesses into multi-billion dollar giants. No wonder investors were attracted. In 1998 it was easy for such companies to raise as much money as they wanted. But now, investment funds have dried up. Why? And more importantly, is there a way to reverse the trend? This book gives the answers.

The Race is an unusual book. Its messages can be grasped simply by looking through the graphics. It can be understood better by reading the accompanying text. It is even more deeply grasped and useful when manufacturing people at all levels discuss its implications and application to their own environment. The Race enables you to derive a superior system - Drum-Buffer-Rope - for generating continual logistical improvements. It also illustrates how to focus on the process improvements that will have the greatest impact on your competitive edge. The epilogue and appendix quizzes will give the thoughtful reader insight in how to initiate and then extend a process of ongoing improvement into other areas like marketing and financial control.

¿Quiere pasar un tiempo inolvidable, leyendo historias breves que lo emocionarán hasta las lágrimas, lo harán sonreír y le dejarán una reflexión sorprendente? Aquí hallará los mejores escritos personales de un autor que ha cautivado a millones, y reflexionará sobre cómo:Hacer un pacto de felicidad. Dominar sus reacciones agresivas. Hallar significado a las tragedias. Acariciar el alma de los demás. Inspirarse para crear obras geniales. Vivir intensamente el aquí y el ahora. Lidiar con personas abusivas. Lograr equilibrio financiero. Romper la rigidez social. Ser feliz sin alcohol. Estar en forma física y mental. Evitar adicciones modernas. Alcanzar la realización. Cuidar sus palabras para no herir a otros. Evitar las prisas Este libro es la mejor meta (y meta) de todo lector que busca constantemente la plenitud de vida.inecesarias. Defender sus valores. Dejar de competir sin razón. Levantarse después de una caída o pérdida. Cuidar su relación de pareja. Vivir como hij@ de Dios, sin fanatismo. Cerrar con broche de oro cada día. Este libro es la mejor meta (y meta) de todo lector que busca constantemente la plenitud de vida.
