Due Romanzi autoconclusivi + uno Spin Off Volume 1: "Hope; gli occhi della speranza" Hope racchiude un segreto, qualcosa di cui nemmeno lei è del tutto consapevole. Durante l'ultimo anno di scuola partecipa a una festa di compleanno che le stravolge la vita: da quella sera Hope non è più la stessa. Si nasconde dietro orribili abiti neri, larghi e più grandi di lei. Copre il suo seno prosperoso con delle fasce strettissime e a tradirla sono solo i suoi occhi: due meravigliose iridi azzurrocielo. La vecchia Hope non esiste più si chiama Op, adesso, e inizia a soffrire d'asma e repentini attacchi di panico. La madre è convinta che la città non sia favorevole al suo stato di salute, quindi decide di farle passare le vacanze estive dagli zii, sul lago di

Costanza. Daniel vive da sempre in una bellissima tenuta di campagna tra i piccoli paesini di Daisendorf e Meersburg. Alla morte del padre ha ereditato la tenuta, nonostante la netta opposizione delle sorelle e della madre, le quali vorrebbero un futuro migliore per lui. Daniel però ama la sua terra più di qualsiasi cosa al mondo. Dedicava il suo tempo al lavoro e trascurava la vita sociale. Non ha molti amici, né crede più nei sentimenti: Julia gli ha spezzato il cuore. Entrambi rifiutano l'amore, ma ben presto diventano amici e le loro convinzioni precipitano nel vuoto. Quando sembra che tutto stia andando per il meglio il destino gioca la sua parte: Daniel e Hope sono legati da sempre. Daniel si rifiuta di accettare questo turbine di informazioni. Non vuole crederci e non sa come dirlo a Hope. Proprio ora che i loro cuori avevano ripreso a battere, la cruda verità potrà separarli per sempre. Tanti segreti, troppe rivelazioni e una sola speranza: sarà più forte l'amore? Volume 2: "Non Mandarmi Via" Maya è un'educatrice d'infanzia e nel tempo libero ama scrivere favole per bambini. La sua vita è apparentemente perfetta. Ha due splendidi amici, Charlotte e Chris, vive ancora con i suoi genitori sul lago di Costanza e ha una storia epica con Niklas dai tempi del liceo. Tutto sembra ruotare per il verso giusto, fino a quando, in una calda sera di primavera, la giovane ragazza decide di imboccare una strada poco trafficata, al rientro dal lavoro. Quella notte, un ragazzo scalzo, sporco e senza alcuna apparente identità piomberà nella sua vita come un uragano. Non si sa nulla di lui, eccetto il suo nome. Eppure Maya non riesce a restare indifferente dinanzi alla sofferenza che scorge in quei profondi occhi azzurri. Nate è scontroso, irascibile e non sopporta la

troppa gentilezza della ragazza. Non crede nei rapporti umani e vuole soltanto approfittare della sua ingenuità. Inizia così una convivenza forzata, un susseguirsi di segreti nascosti, avvenimenti struggenti e scoperte che cambieranno radicalmente la vita di entrambi. Una settimana soltanto: era questo l'accordo; ma si sa, le cose non vanno mai come le pianifichiamo. Due ragazzi segnati dal dolore. Due anime in cerca della verità. Charlie non riesce a dimenticare il passato. La sua vita è stata segnata da terribili incidenti di percorso. La danza è da sempre il suo porto sicuro. Paul non vuole essere ricordato per le sue azioni trascorse. Lotta con tutto se stesso per liberarsi dalle catene di una vita sregolata, all'insegna degli eccessi, dei soldi facili e delle compagnie sbagliate. Entrambi lottano per qualcosa. Entrambi vogliono voltare le spalle al passato e abbracciare un futuro diverso. Nessuno dei due, però, desidera instaurare un rapporto con l'altro/a. Charlie disprezza Paul per il suo passato; Paul non crede nei sentimenti e nelle relazioni monogame. Alle volte, però, non si ha altra scelta che guardare la realtà con lenti diverse, dimenticando le proprie abitudini e abbracciando una nuova visione del mondo. Chi scherza troppo con il fuoco, prima o poi si brucia.

One of twentieth-century Italy's greatest thinkers, Primo Levi (1919-1987) started reflecting on the Holocaust almost immediately after his return home from the year he survived in Auschwitz. Levi's powerful Holocaust testimonials reveal his preoccupation with processes of translation, in the form of both embedded and book-length renderings of texts relevant to Holocaust survival. In Arduous Tasks,

Lina N. Insana demonstrates how translation functions as a metaphor for the transmission of Holocaust testimony and broadens the parameters of survivor testimony. The first book to study Levi and translation, *Arduous Tasks* overcomes the conventional views of the separation between his own personal memoirs and his translations by stressing the centrality of translation in Levi's entire corpus. Examining not only the testimonial nature of his work, Insana also discusses the transgressive and performative aspects of transmission in his writings. *Arduous Tasks* is a superb and innovative study on the importance of translation not only to Levi, but also to Holocaust studies in general.

In his classic study *Learning Arabic in Renaissance Europe (1505-1624)*, Robert Jones explores the practical and intellectual challenges faced by scholars of Arabic, especially of Arabic grammar, from Pedro de Alcalá to Guillaume Postel, Giovan Battista Raimondi and Thomas Erpenius.

The second volume of William Cullen Bryant's letters opens in 1836 as he has just returned to New York from an extended visit to Europe to resume charge of the *New York Evening Post*, brought near to failure during his absence by his partner William Leggett's mismanagement. At the period's close, Bryant has found in John Bigelow an able editorial associate and astute partner, with whose help he has brought the paper close to its greatest financial prosperity and to national political and cultural influence. Bryant's letters of the years between show the versatility of his concern with the crucial political, social, artistic, and

literary movements of his time, and the varied friendships he enjoyed despite his preoccupation with a controversial daily paper, and with the sustenance of a poetic reputation yet unequaled among Americans. As president of the New York Homeopathic Society, in letters and editorials urging widespread public parks, and in his presidency of the New York Society for the Abolition of the Punishment of Death, he gave attention to public health, recreation, and order. He urged the rights of labor, foreign and religious minorities, and free African Americans; his most powerful political effort of the period was in opposition to the spread of slavery through the conquest of Mexico. An early commitment to free trade in material goods was maintained in letters and editorials, and to that in ideas by his presidency of the American Copyright Club and his support of the efforts of Charles Dickens and Harriet Martineau to secure from the United States Congress and international copyright agreement. Bryant's first visit to Great Britain came at the height of his poetic and journalistic fame in 1845, bringing him into cordial intimacy with members of Parliament, scientists, journalists, artists, and writers. In detailed letters to his wife, published here for the first time, he describes the pleasures he took in breakfasting with the literary patron Samuel Rogers and the American minister Edward Everett, boating on the Thames with artists and with diarist Henry Crabb Robinson, spending an evening in the home of Leigh Hunt, and calling on the Wordsworths at Rydal Mount as well as in the distinctions paid him at a rally of the Anti-Corn-Law League in Covent Garden Theatre, and at the annual meeting in Cambridge of the British

Association for the Advancement of Science. Equally fresh are most of the letters to prominent Americans, many of them his close friends, such as the two Danas, Bancroft, Cole, Cooper, Dewey, Dix, Downing, Durand, Forrest, Greenough, Irving, Longfellow, Simms, Tilden, Van Buren, and Weir. His letters to the Evening Post recounting his observations and experiences during travels abroad and in the South, West, and Northeast of the United States, which were copied widely in other newspapers and praised highly by many of their subscribers, are here made available to the present-day reader.

"In this elegantly constructed study of the early decades of public opera, the conflicts and cooperation of poets, composers, managers, designers, and singers—producing the art form that was soon to sweep the world and that has been dominant ever since—are revealed in their first freshness."—Andrew Porter "This will be a standard work on the subject of the rise of Venetian opera for decades. Rosand has provided a decisive contribution to the reshaping of the entire subject. . . . She offers a profoundly new view of baroque opera based on a solid documentary and historical-critical foundation. The treatment of the artistic self-consciousness and professional activities of the librettists, impresarios, singers, and composers is exemplary, as is the examination of their reciprocal relations. This work will have a positive effect not only on studies of 17th-century, but on the history of opera in general."—Lorenzo Bianconi
