New York Times bestselling author and Life Designs, Inc. creator Martha Beck shares her step-by-step program that will guide you to fulfill your own potential and create a joyful life. In this book, you'll start by learning how to read the internal compasses already built into your brain and body--and why you may have spent your life ignoring their signals. As you become reacquainted with your own deepest desires, you'll identify and repair any unconscious beliefs or unhealed emotional wounds that may be blocking your progress. This will change your life, but don't worry--although every life is unique, major transformations have common elements, and Beck provides a map that will guide you through your own life changes. You'll learn how to navigate every stage, from the first flickering appearance of a new dream to the planning and implementation of your own ideal life. Based on Dr. Beck's work as a Harvard-trained sociologist, research associate at Harvard Business School, instructor at Thunderbird Business School, and especially on her experiences with her clients over the last six years, *Finding Your Own North Star* offers thoroughly tested case studies, questionnaires, and exercises to help you articulate your core desires and act on them to build a more satisfying life. “ Explorers depend on the North Star when there are no other

Spain), 1948 (statehood for Israel and the War of Independence) and 1967 (the Six-Day War). The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015. In this devotional study guide, Pastor Hagee challenges readers to further explore the meaning behind blood moons, understand why Christians must recognize these signs that God refers to in Scripture, and absorb their prophetic significance. Ideal for individuals and groups, this devotional study guide combines questions and reflective journaling for deeper meaning and life application.

While it is good for women to expose their pain, abuse, and experiences of gender inequality and oppression, what often follows is a never-ending cycle of blame, accusations, denial, avoidance, and ultimately devastation for everyone involved. Better Together, a six-session video-based Bible study (DVD/digital downloads sold separately), is a beacon of hope in this challenging storm. Danielle Strickland helps us understand how oppression works—whether it relates to gender, race, socioeconomic status, or religion—and how to overcome it. Let Danielle inspire you to believe that change is possible and equip you with ideas and strategies that will compel you to action. The Better Together Study Guide includes six guided Group Gatherings intended to amplify the video teachings as well as between-session personal time to engage the Bible and study content.
