A compact and portable version of the best-selling and most-trusted world literature anthology, The Norton Anthology of World Literature, Shorter Second Edition, is a rich and teachable selection of the world's literature, in generous portions and the best translations available."

The most-trusted anthology for complete works, balanced selections, and helpful editorial apparatus, The Norton Anthology of American Literature features a cover-to-cover revision. The Ninth Edition introduces new General Editor Robert Levine and three new-generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.

The most trusted anthology for complete works and helpful editorial apparatus. The Tenth Edition supports survey and period courses with NEW complete major works, NEW contemporary writers, and dynamic and easy-to-access digital resources. NEW video modules help introduce students to literature in multiple exciting ways. These innovations make the Norton an even better teaching tool for instructors and, as ever, an unmatched value for students.

A selection of Western literature containing only works written originally in the ancient and modern foreign languages.

A classic, reimagined.

## Read PDF Norton Anthology World Literature Package Volumes

The story of literature in sixteen acts—from Homer to Harry Potter, including *The Tale of Genji*, *Don Quixote*, *The Communist Manifesto*, and how they shaped world history. In this groundbreaking book, Martin Puchner leads us on a remarkable journey through time and around the globe to reveal the how stories and literature have created the world we have today. Through sixteen foundational texts selected from more than four thousand years of world literature, he shows us how writing has inspired the rise and fall of empires and nations, the spark of philosophical and political ideas, and the birth of religious beliefs. We meet Murasaki, a lady from eleventh-century Japan who wrote the first novel, *The Tale of Genji*, and follow the adventures of Miguel de Cervantes as he battles pirates, both seafaring and literary. We watch Goethe discover world literature in Sicily, and follow the rise in influence of *The Communist Manifesto*. Puchner takes us to Troy, Pergamum, and China, speaks with Nobel laureates Derek Walcott in the Caribbean and Orhan Pamuk in Istanbul, and introduces us to the wordsmiths of the oral epic *Sunjata* in West Africa. This delightful narrative also chronicles the inventions—writing technologies, the printing press, the book itself—that have shaped people, commerce, and history. In a book that Elaine Scarry has praised as “unique and spellbinding,” Puchner shows how literature turned our planet into a written world. Praise for *The Written World* “It’s with exhilaration . . . that one hails Martin Puchner’s book, which asserts not merely the importance of literature but its all-importance. . . . Storytelling is as human as breathing.” —*The New York Times Book Review* “Puchner has a keen eye for the ironies of history. . . . His ideal is ‘world literature,’ a phrase he borrows from Goethe. . . . The breathtaking scope and infectious enthusiasm of this book are a tribute to that ideal.” —*The Sunday Times (U.K.)* “Enthralling . . . Perfect reading for a long chilly night . . . [Puchner] brings these works and their origins to vivid life.” —*BookPage* “Well worth a read, to find out how come we read.” —Margaret Atwood, via Twitter
