This fifth edition of Profile of the
International Pump Industry - Market

Page 24/45

Download Free Nuclear Power Flowserve

Prospects to 2007 reviews the markets, technological trends, and major manufacturers of industrial pumps. Profile of the International Pump Industry covers both the international pump industry and its associated market, illustrating the structure of the industry, highlighting

Download Free Nuclear Power Flowserve

developments, identifying future trends, and looking at recent mergers and acquisitions. Market estimates and forecasts to 2007, by region and pump type, are presented along with an analysis of the main end-user markets for industrial pumps, and a technology overview. Forty leading

Download Free Nuclear Power Flowserve

international pump manufacturers are profiled and a Top 20 league table of pump manufacturers, ranked by sales of pumps, is given. A directory of pump manufacturing companies and an index of companies by product type are also included.

If you want to make money in the coming decade, you need to understand the two most powerful trends that are reshaping global markets right now: the growth of emerging economies, and the accelerating influence of sovereign wealth funds. Both trends share one

Download Free Nuclear Power Flowserve

crucial characteristic: they reflect the rising role of government actors, and make it more important for investors to understand geopolitics than ever before. These trends emerged well before the global financial and economic crisis, and that crisis has only strengthened them. In The Rise of

Download Free Nuclear Power Flowserve

the State, three leading investment advisors tell the hidden story of state investment power, and offer more than 70 specific investment recommendations you can start profiting from right now. The authors illuminate trends ranging from the new rise of Asia to the massive migration of

Download Free Nuclear Power Flowserve

individuals to cities worldwide - identifying implications and opportunities in areas ranging from energy to water, healthcare to education. You'll find powerful new insights into the surprising - and mostly positive - impact of sovereign wealth funds both within and outside

Download Free Nuclear Power Flowserve

the U.S. You'll also learn how to ride alongside these funds, understand their goals and strategies, and invest in the companies and industries they've identified as offering the greatest potential.
