this way children are guided and optimally prepared for pre-school and primary school. The book is divided into the sections: numbers and letters. The learning process is guided as follows: Letters Every letter is a new territory for your child. The

# Online Library

## Numbers 0 20

first step is to get to know the letter and practice through the correct pen guidance by simply tracing it. This is followed by a word containing the letter you have just learned. So your child learns to put the letter in a word. Encourage your child to read

# Online Library

## Numbers 0 20

the word aloud to directly practice the corresponding sound. Finally, your child learns to write the letter freely and independently.

Numbers To understand the meaning of numbers, your child starts counting picture elements. Then,

# Online Library

## Numbers 0 20

just as with letters, he or she will have to trace the numbers. As soon as they become more confident, free writing follows the number you have just learned, with guidelines ensuring that the number is placed at the correct height. By
