NYPD Red was formed to protect. Zach and Kylie track a shadowy killer as he masterfully plays out his vendetta - and threatens to take down NYPD Red in the bargain.

NYPD Red chases a ruthless murderer with an uncontrollable lust for money--and blood. It's another glamorous night in the heart of Manhattan: at a glitzy movie premiere, a gorgeous starlet, dressed to the nines and dripping in millions of dollars' worth of jewelry on loan, makes her way past a horde of fans and paparazzi. But then there's a sudden loud noise, an even louder scream, and a vicious crime with millions of witnesses and no suspect--and now NYPD Red has a new case on its hands. NYPD Red: the elite task force assigned to protect the rich, famous, and connected in the city where crime never sleeps. Detective Zach Jordan and his partner, Kylie MacDonald--a former girlfriend from the police academy who he hasn't quite gotten over--are the best that Red has to offer, brilliant and tireless investigators who will stop at nothing to crack a case, even if it means putting their own complicated lives on the back burner. From celebrity penthouses to the depths of Manhattan's criminal underworld, Zach and Kylie are soon in hot pursuit of a cold-blooded killer with everything to lose, and millions to gain if he can just shake the detectives on his trail. With the city on edge, the mayor out of patience, and the flames of their personal relationship threatening to reignite and ruin everything, Zach and Kylie are facing down their worst fears--and their worst enemy yet.

In this heart-stopping thriller, a brazen kidnapper targets the most lavish New York City wedding of the season—and takes “Here Comes the Bride” as an invitation. Reality star Erin Easton’s “Wedding of the Century” may have a cable crew documenting every extravagant bridal detail, but when “Airhead Easton” disappears from the reception, it’s no diva turn. Her dressing room is empty but for a blood-spattered wedding gown and signs of a struggle. Detective Kylie MacDonald of NYPD Red, already on-scene as a plus-one, loops in her partner, Detective Zach Jordan to activate Level One mobilization for this PR nightmare. But when Erin’s “proof of life” video makes it to air—rather than to evidence—every A-lister on the guest list becomes a target of suspicion . . . or just a target.

NYPD Red's finest detectives are about to investigate a brutal crime scene in Central Park . . . but even their training can't prepare them for the biggest case of their careers. When NYPD Red arrives at a crime scene, everyone takes notice. Known as the protectors of the rich, famous, and connected, NYPD Red is the elite task force called in only for New York City's most high-profile crimes. And Detective Zach Jordan is the best of the best, a brilliant and relentless pursuer of justice. He puts professionalism above all, ignoring his feelings for his partner, Detective Kylie MacDonald, the woman who broke his heart when they first met in the academy. But even with their top-notch training, Zach and Kylie aren't prepared for what they see when they're called to a crime scene in the heart of Central Park. They arrive to find a carousel spinning round and round, its painted horses grinning eerily in the early morning dark. There is only one rider: a brutally slaughtered woman, her body tied up and dressed in a Hazmat suit, on display for the world to see. The victim, a woman of vast wealth and even greater connections, is the fourth in a string of shocking murders that have hit the city. As the public pressure mounts, and political and personal secrets of the highest order hang in the balance, Zach and Kylie must find out what's really behind the murderer's rampage. But Kylie has been acting strange recently-and Zach knows whatever she's hiding could threaten the biggest case of their careers. NYPD Red 2 is the next outstanding novel in James Patterson's newest series, a thriller that careens through New York City and deep into the psyche of a depraved killer you've never seen before.
