Skye Williams knows everything there is to know about mistrust. Dad skipped out when she was five. And now Warren Jacobs tries to sweep her Mom off her feet. But Warren's not the only concern rocking Skye's world. Devin Abbott, a guy she's known since kindergarten, has changed. He's become a tall, broad-shouldered guy she might date-if he wasn't her best friend. Skye swears there's nothing between them, but everyone else thinks differently. Devin doesn't act the way he used to, especially when Kellin Morgan, senior quarterback, asks Skye out. Flattered, she accepts, and, Devin sulls up-and he isn't the only one. Kellin's best friend, Tyler Rutherford, gets bent out of shape, too, as he's always wanted Skye for himself. When Kellin and Skye attend one of Tyler's famous parties, neither senses the impending disaster that will change not only her life but also that of everyone who loves her.

Love Is Unwavering Elizabeth and Lev believe the danger with the dark angels and the Dagger of Light are finally behind them, but with Elizabeth ' s sacrifice comes a new more menacing threat as whatever power the dagger once possessed now possesses Elizabeth, endangering all those she loves most. In a last ditch effort to protect them, Elizabeth runs away, unaware her fate rests with a Triune of angels who have come to judge her transgressions against others of their kind.

What do you get when Andy Griffith meets Night at the Museum? A comedic novel called Skunks, Trunks, and Pedro. Chris Banks, a newly appointed sheriff, is up for a rude awakening as Wallace and Willie Gumble, two backwoods twins with more money than sense, strive to break every stupid law on the books, including whaling...in Oklahoma. All Chris wants to do is propose to Debbie Morgan and settle into small-town bliss. But with a town mayor who dresses up like a skunk, a stuffed buffalo named Pedro making appearances, and a bipolar midget chasing a circus-trained elephant named Trunks, it ' s going to take a miracle to get the words, " Will you marry me? " out. There ' s also Richard Stone, a close friend who is dying from cancer. Chris is his only option to care for his sixteen-year-old daughter, Shelly. Chris can ' t seem to handle the wildlife and isn ' t so sure he ' s going to fare much better with a teenager, but when life hands you livestock, you just have to join the herd. For Chris, that just might mean a life not only with Debbie but also Shelly.

One moment, Carrie Williams is eight months pregnant and driving to meet her husband Robbie. The next, a silver streak rushes into her car's path. Carrie tries to turn the wheel, resulting in a horrific accident. It is in Carrie's dying moments that she sees the alien, an explorer from a race who doesn ' t believe humans exist. After the alien almost collides with car, she senses the small life form in Carrie's body and merges her form with that dying human body to save a life, unaware how that single choice will change everything for both races.

At sixteen, Jennifer Landry thinks the worst thing that can happen is getting pregnant, but when Waylan Thompson, her boyfriend of two years, suddenly dies in a car wreck and Jennifer miscarries, she thinks her life is over. Still, Sean, Waylan's older brother, manages to pull her through. Although the two lose contact for years, Jennifer runs into Sean as she is raising her two teenage sons alone. He, too, is divorced. The years have allowed them both to heal into adults who share a mutual scar, and what was once simply a foundation of shared grief becomes more, especially as Jennifer faces another possible loss-her oldest son, who wrecks on an icy road. It's going to take everything Sean has to save her again, and he has to; he can't imagine his world without her in it.

Seventeen-year-old Misha Malloy has always dreamed of Ramsey, a beautiful teenager from a world called Alterna. Ramsey has always been there to love and protect her, but even he could not stop the car accident which left her in a coma; however, six months later, Misha has recovered and quickly finds that her world and Alterna are blending. Ramsey now comes to her in the flesh, and so does his brother, Elijah, who will stop at nothing to make Ramsey pay for an old transgression--including killing Misha.

This edition contains all three Dreamwalker novels: Dreamwalker, Dreamwalker: Reckoning, and Dreamwalker: Abattoir Dreamwalker Seventeen-year-old Misha Malloy has always dreamed of Ramsey, a beautiful teenager from a world called Alterna. Ramsey has always been there to love and protect her, but even he could not stop the car accident which left her in a coma; however, six months later, Misha has recovered and quickly finds that her world and Alterna are blending. Ramsey now comes to her in the flesh, and so does his brother, Elijah, who will stop at nothing to make Ramsey pay for an old transgression--including killing Misha. Dreamwalker: Reckoning Misha Malloy is lucky--she has a dream of a guy who loves her, literally. Her boyfriend, Ramsey, is a dreamwalker from the world of Alterna. In Dreamwalker, he came to protect her from his younger brother, Elijah, who covets all that his older brother has, including Misha and the throne of Alterna that Ramsey will one day ascend to. Yes, he will one day be king...if Elijah doesn't kill him first. Misha knows Elijah has taken Ramsey deep into Alterna. She knows because Elijah taunts her with nightmares of Ramsey's death at his hands, drawing Misha into a world she thinks is only a dream, a place she thinks she's never really been, but there's much Misha doesn't know. Dreamwalker: Abattoir In Dreamwalker: Reckoning, Misha Malloy just barely saved both Ramsey and herself from Elijah by banishing him from Alterna forever. It never occurred to her that in doing so, she might put her world in danger and that Elijah would stop at nothing to destroy all that she holds dear. What began in Alterna is now going to be finished in a world that doesn't even know about dreamwalkers and isn't prepared for all the beasts of such a mythical world, but Elijah and the witch Loreli now have an army of creatures ready to slaughter anyone opposed to them and the final battle is about to change everything we understand about dreams and reality.

Seventeen-year-old Elizabeth Moon has been dreaming of her murder her entire life, and in those dreams, a dark presence is there, watching. But there ' s something wrong with Lev. When she realizes he ' s the eerie watcher in her dreams, she ' ll have to discover the truth. Is he a guardian angel or a sojourner, an angel of death who has come to collect her soul?

Jess Brightwell believes in the value of the Library, but the majority of his knowledge comes from illegal books obtained by his family, who are involved in the thriving black market. In October Breezes, Devin Abbott almost lost the one person who mattered most—Skye Williams. Following a rape and an abortion she'd never counted on, she'd believed suicide the only answer, yet Devin saved her, leaving them both struggling to make sense of a future that included Skye and Devin separating for college. Sometimes, however, the past refuses to leave. After college, the two return home to face fears time has only deepened. For Devin, that fear comes in the form of living without Skye, the one woman he ' s always loved. Skye yet feels the tremors of her abortion—tremors which have convinced her she ' s unlovable. Time and again, she rejects him, leaving them both hurt, but inasmuch as Skye cannot see beyond her choice and Devin cannot shake his fear, neither anticipates how the past will shape them and how much power love yet has.
