Did you know what happened to Arachne when she dared challenge Athena to her loom? And what happened to Prometheus when he stole the fire from Zeus? And the pirates who dared kidnap Dionysus ? What happened to them ? Is it true, then, that Callisto was transformed first into a bear and then into a constellation? How many incredible stories ! You can read them all in "Illustrated Greek Myths for Children" a book that tells the most famous and beautiful myths of Ancient Greece, presented in a simple and practical version, adapted for the youngest readings. Along with the illustrations of Elisabetta Guaita, the stories take us into the extraordinary world of the Ancient Greek Gods, letting us know about all their strengths but, more than anything, all their whims ! Ready to start ? Hurry, the Ancient Greece is waiting for us ! !!Fixed ePub Layout version (1024 px x 768 px).

The final book in Dolores Redondo's atmospheric Baztan trilogy, featuring Inspector Amaia Salazar. With masterful storytelling and a detective to rival Sarah Lund, this Spanish bestselling series has taken Europe by storm.

From the internationally bestselling author of The Etymologicon, a lively and fascinating exploration of how, throughout history, each civilization has found a way to celebrate, or to control, the eternal human drive to get sloshed "An entertaining bar hop though the past 10,000 years."—The New York Times Book Review  
Almost every culture on earth has drink, and where there's drink there's drunkenness. But in every age and in every place drunkenness is a little bit different. It can be religious, it can be sexual, it can be the duty of kings or the relief of peasants. It can be an offering to the ancestors, or a way of marking the end of a day's work. It can send you to sleep, or send you into battle. Making stops all over the world, A Short History of Drunkenness traces humankind's love affair with booze from our primate ancestors through to the twentieth century, answering every possible question along the way: What did people drink? How much? Who did the drinking? Of the many possible reasons, why? On the way, learn about the Neolithic Shamans, who drank to communicate with the spirit world (no pun intended), marvel at how Greeks got giddy and Sumerians got sauced, and find out how bars in the Wild West were never quite like in the movies. This is a history of the world at its inebriated best.

In a companion volume to his award-winning adaptation of The Odyssey, the incomparable graphic novelist Gareth Hinds masterfully adapts Homer's classic wartime epic. More than three thousand years ago, two armies faced each other in an epic battle that rewrote history and came to be known as the Trojan War. The Iliad, Homer's legendary account of this nine-year ordeal, is considered the greatest war story of all time and one of the most important works of Western literature. In this stunning graphic novel adaptation -- a thoroughly researched and artfully rendered masterwork -- renowned illustrator Gareth Hinds captures all the grim glory of Homer's epic. Dynamic illustrations take readers directly to the plains of Troy, into the battle itself, and lay bare the complex emotions of the men, women, and gods whose struggles fueled the war and determined its outcome. This companion volume to Hinds's award-winning adaptation of The Odyssey features notes, maps, a cast of characters, and other tools to help readers understand all the action and drama of Homer's epic.

Chronicles the life of the computer programmer, known for the launch of the operating system GNU Project, from his childhood as a gifted student to his crusade for free software.

Detective Isaac Bell travels the early-twentieth-century American railroads, driven by a sense of justice and a determination to stop a new mastermind reigning terror on a crucial express line in this #1 New York Times bestselling series. A year of financial panic and labor unrest, 1907 sees train wrecks, fires, and explosions sabotage the Southern Pacific Railroad's Cascades express line. Desperate for help the railroad hires the fabled Van Dorn Detective Agency. Van Dorn's best man, Isaac Bell, quickly discovers a mysterious saboteur haunting the hobo jungles of the West. Known only as the Wrecker, he recruits vulnerable accomplices from the down-and-out to attack the railroad, and then kills them afterward. The Wrecker traverses the vast spaces of the American West as if he had wings, striking wherever he pleases, causing untold damage and loss of human life. Who is he? What does he want? Is he a striker? An anarchist? A revolutionary determined to displace the "privileged few"? A criminal mastermind engineering some as yet unexplained scheme? Whoever he is, whatever his motives, the Wrecker knows how to create maximum havoc, and Bell senses that he is far from done—that, in fact, the Wrecker is building up to a grand act unlike anything he has committed before. If Bell doesn't stop him in time, more than a railroad could be at risk—it could be the future of the entire country.

Para muchos historiadores y crticos, En busca del tiempo perdido no slo es una obra cumbre de las letras francesas del siglo xx, sino tambn una de las ms grandes creaciones literarias de todas las pocas, en la que la trasposicin en el relato de la vida de Marcel Proust (1871-1922), as como de personajes y ambientes sociales de su tiempo, dio forma a un nuevo y fecundo camino en el campo de la novela. Por el camino de Swann es el primer volumen de la serie, en esta obra el narrador introduce al lector en su universo literario de rememoraciones de la infancia y la historia de amor y celos de Swann por Odette. La obra trae uno de los pasajes ms famosos de la literatura, cuando el narrador come una magdalena (especie de bola de masa horneada) mojada en t y ve su conciencia bucear involuntariamente en el pasado. Las criaturas de Proust son vctimas de esta circunstancia y condicin predominante: el tiempo. No hay escapatoria de horas y das. Ni maana ni ayer.

"This middle grade series starter is tailor-made for Harry Potter's fans." —Kirkus Reviews  
For fans of the Land of Stories and the Wings of Fire Series, this first enchanting adventure from acclaimed novelist Scarlett Thomas is set in a wondrous realm where magic most decidedly exists, a growing evil lurks, and a group of children is destined to save the world. Effie Truelove believes in magic, as does her grandfather Griffin (although he refuses to do any magic, let alone teach Effie how to use it). After a mysterious incident leaves Griffin close to death, Effie is given an unusual silver ring and told she must look after her grandfather's library of rare and powerful books. But then the books fall into the hands of shady scholar Leonard Levar, and Effie is propelled into the most dangerous adventure of her life. Now, Effie and her friends—nerdy Maximilian, rugby-mad Wolf, helpful Lexy, and eccentric Raven—must discover their true powers if they are to get the books back. And Effie alone will have to travel to the Otherworld, where she will uncover the true meaning of the strange old book called Dragon's Green...

The Kingdom is Clive Cussler's third Fargo Adventure. Whether it's lost treasure or missing persons, the Fargos find themselves in a heap of trouble every time . . . When Texas oil baron Charlie King contacts Sam and Remi Fargo he has an unusual request. He hired an investigator – and good friend of the pair – to locate his missing father in the Far East. But now the investigator has vanished. Would Sam and Remi be willing to look for them both? Though something about the request doesn't quite add up, Sam and Remi agree to help out. It's a journey that takes the Fargos to Tibet, Nepal, Bulgaria, India, and China. They get mixed up with black-market fossils, a centuries-old puzzle chest, the ancient Nepali kingdom of Mustang, a balloon aircraft from a century before its time . . . and an extraordinary skeleton that might turn the history of human evolution on its head. Oh, and not a few unfriendly people with guns and itchy trigger fingers . . . Clive Cussler, author of the celebrated Dirk Pitt novels Treasure of Khan and Valhalla Rising, presents the third novel in his newest series, following the adventures of treasure hunters Sam and Remi Fargo. The Kingdom follows Spartan Gold and Lost Empire. Praise for Clive Cussler: 'Cussler is hard to beat' Daily Mail 'Cussler is the guy I read' Tom Clancy
