Olivia the piglet presents the numbers from one to ten.

The heart-warming tale of a sweet little pig with a whole heap of energy.

It's show-and-tell time at Olivia's school and she's telling her class about the time she went to the circus and all the performers were sick... so Olivia had to do everything. She tamed the lions, balanced on stilts, juggled and even played the clown. 'Was that true?' Olivia's teacher asks. 'Quite true,' says Olivia. 'Are you sure Olivia?' 'To the best of my recollection,' she says.

It was the night before Christmas, and Olivia discovers that her favorite stuffed monkey, Mathilda, is missing. Not only is Mathilda missing, but other favorites keep disappearing around the house too. In the true spirit of Christmas, Olivia figures out how to not only give but to give back what has been missing.

Olivia always knew her younger sister would get into trouble. but she never realized the undercurrents of disaster would grow to a raging flood.... Olivia was always the sensible one. The responsible sister. She took after their father, a man as cold and driven as the Cape Cod wind, a man possessed by an inner need to be respected and successful. She would be the one to take over his million-dollar businesses. She would become the unwavering compass and resilient caretaker of the Logan family -- whether she wanted to or not. But Belinda belonged only to herself. Flighty, flirtatious, and possessed of a beauty that promised her a privileged life, Belinda was lavished with attention. Mother and Father, family friends, boys from school, they all adored Belinda. And as she matured into a young woman, her beauty became even more haunting. She vowed never to grow up, to remain forever an enchanting little girl to be worshiped and cared for. Then came that fateful night, when Olivia was awakened by the low whistle of the wind off the ocean...a whistle that became an unearthly wail coming from Belinda's bedroom. It was the tragic night that their father would forbid them to speak of ever again. The night they would never forget. The night that would send generations of Logans down an unavoidable path of lies, deceit, and heartbreak.

Olivia has the best present for Ian, and she can ' t wait to surprise him with it on Christmas morning. But Ian likes peeking at his presents, so Olivia must find the perfect hiding place. After all, being surprised on Christmas morning is the best part of Christmas! Come along with Olivia as she gets a surprise of her own in this charming paper-over-board storybook with shiny foil on the cover!

In her newest hilarious endeavour, Olivia embarks upon a quest for identity and individuality. It seems there are far too many pink and sparkly princesses around these days and Olivia has had quite enough! She needs to stand out. And so, in typical 'Olivia' style, she sets about creating a whole array of fantastically dressed princesses... and shows us that everyone can be individual and special.

Olivia is excited about show-and-tell day at school, but she has trouble choosing which item to show the class.

Olivia the piglet introduces the concept of opposites by demonstrating word pairs.
