careers of many of the instrument ' s most influential practitioners from acoustic era to the advent of the CD. A key focus is on the ways in which guitarists ' recorded repertoire programmes have shaped the identity of the instrument, particularly where national allegiances and musical aesthetics are concerned.

Acces PDF

Omaggio A Leo

The book also considers the ways in which changing approaches to recording practice have conditioned guitarists' conceptions of the instrument's ideal representation in recorded form and situates these in relation to the development of classical music recording aesthetics more generally. An important addition to
