On Duty With The Queen. By Katia on April 15, 2015 Books & Film. Dickie Arbiter's 'On Duty With The Queen' recounts his life as royal press secretary between 1988 and 2000, a dozen years that encompass a momentous period for the monarchy. It is undoubtedly a royal memoir worth the writing, but there was a dilemma of loyalty for the author and publication was preceded by a spate of speculation.

years, and is the only royal commentator to have witnessed the Coronation of Queen Elizabeth II and covered her Silver, Golden, and Diamond Jubilees. Appointed a press spokesman for Queen Elizabeth II in 1988, Dickie was immediately catapulted into the media circus surrounding the world's most famous and divisive family. From sailing in the Royal Yacht Britannia, escorting Prince Charles on far-flung trips across the globe and the Commonwealth, and joining Her Majesty for washing-up duties following a picnic in Balmoral Castle, to becoming one of Princess Diana's most trusted confidantes before briefing the world's media of her untimely death, Dickie was at the forefront of the decision-making at the Palace during the most turbulent decade in the monarchy's reign. Open, entertaining, enlightening, and surprising, *On Duty with the Queen* is a wonderful account of a once-in-a-lifetime job and a truly unique service to the crown.

A pictorial celebration of Queen Elizabeth II's magnificent reign Since she succeeded to the throne in 1952, Queen Elizabeth II has become respected, celebrated, and beloved around the world. This stunning collection of powerful images illustrates her storied reign in all its glory. More than 300 extraordinary photographs, along with insightful commentary by the royal journalist Victoria Murphy, showcase the significant, historic, and intimate moments throughout the Queen's life, first as a young princess and then as the longest-reigning British monarch. The book covers her war years in service; her marriage to Prince Philip; her coronation—the first to be televised; her extensive official travels around the world; the glittering diplomatic occasions and encounters with world leaders, dignitaries, and celebrities; the pomp and pageantry of ceremonial events; her role as a fashion icon; her relationships with her parents, King George VI and the Queen Mother, and her sister, Princess Margaret; the birth of her son and heir to the throne Prince Charles; family life with her four children and eight grandchildren, as well as her beloved dogs and horses; and the growing role of Prince William and his wife, the Duchess of Cambridge, as they support the Queen in her public duties. Shown here too are the Crown Jewels as well as the Queen's personal jewelry collection; a look at the royal palaces and residences; and portraits from the stunning royal weddings that have so enchanted the world. Throughout her reign, with a combination of star power and a profound sense of duty, Queen Elizabeth II has steered the British monarchy into the modern era with supreme style and grace. She is truly a queen for all ages.

A timely and revelatory new biography of Queen Elizabeth (and her family) exploring how the Windsors have evolved and thrived, as the modern world has changed around them. Clive Irving's stunning new narrative biography *The Last Queen* probes the question of the British monarchy's longevity. In 2021, the Queen Elizabeth II finally appears to be at ease in the modern world, helped by the new generation of Windsors. But through Irving's unique insight there emerges a more fragile institution, whose extraordinarily dutiful matriarch has managed to persevere with dignity, yet in doing so made a Faustian pact with the media. *The Last Queen* is not a conventional biography—and the book is therefore not limited by the traditions of that genre. Instead, it follows Elizabeth and her family's struggle to survive in the face of unprecedented changes in our attitudes towards the royal family, with the critical eye of an investigative reporter who is present and involved on a highly personal level.

Perfect for fans of *The Crown*, this captivating biography from a New York Times bestselling author follows Queen Elizabeth II and her sister Margaret as they navigate life in the royal spotlight. They were the closest of sisters and the best of friends. But when, in a quixotic twist of fate, their uncle Edward VIII decided to abdicate the throne, the dynamic between Elizabeth and Margaret was dramatically altered. Forever more Margaret would have to curtsy to the sister she called 'Lilibet.' And bow to her wishes. Elizabeth would always look upon her younger sister's antics with a kind of stoical amusement, but Margaret's struggle to find a place and position inside the royal system—and her fraught relationship with its expectations—was often a source of tension. Famously, the Queen had to inform Margaret that the Church and government would not countenance her marrying a divorcee, Group Captain Peter Townsend, forcing Margaret to choose between keeping her title and royal allowances or her divorcee lover. From the idyll of their cloistered early life, through their hidden war-time lives, into the divergent paths they took following their father's death and Elizabeth's ascension to the throne, this book explores their relationship over the years. Andrew Morton's latest biography offers unique insight into these two drastically different sisters—one resigned to duty and responsibility, the other resistant to it—and the lasting impact they have had on the Crown, the royal family, and the ways it adapted to the changing mores of the 20th century.

From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading When her corgis stray into a mobile library parked near Buckingham Palace, the Queen feels duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of *The History Boys*, England's best loved author Alan Bennett revels in the power of literature to change even the most uncommon reader's life.

The Beast doesn't always wait for Beauty. Sometimes, Beauty is the Beast. A sorcerer transforms Princess Mirabella into a frightening creature. While

she revels in the power at her fingertips, she will die unless she can find a cure. She has three years to outwit the sorcerer, change the future of magic, and discover the meaning of love.

A tribute to the life and enduring reign of Elizabeth II draws on numerous interviews and previously undisclosed documents to juxtapose the queen's public and private lives, providing coverage of such topics as her teen romance with Philip, her contributions during World War II and the scandals that have challenged her family. (This book was previously listed in Forecast.)

The magisterial life of the woman whose family's personal intrigues, romances and political rivalries have shaped much of post-war British history.

The bestselling behind-the-scenes memoir of the royal family by a cousin who served in MI5--and as one of the Queen's bridesmaids. Includes photos! A Sunday Times number one bestseller in the United Kingdom, this is the intimate and revealing autobiography of Margaret Rhodes, first cousin of Queen Elizabeth II and niece of Queen Elizabeth, the Queen Mother. Margaret was born into the Scottish aristocracy, into a now almost vanished world of privilege. Royalty often came to stay, and her house was run in the style of Downton Abbey. During the Second World War, she "lodged" at Buckingham Palace while she worked for MI5. She was a bridesmaid at the wedding of her cousin, Princess Elizabeth, to Prince Philip. Three years later, the King and Queen attended her own wedding, in which Princess Margaret was a bridesmaid. In 1990, she was appointed as a lady-in-waiting to the Queen Mother, acting also as her companion, which she describes in touching detail. In the early months of 2002, she spent as much time as possible with her ailing aunt and was at her bedside when she died. The next morning, she went to Queen Elizabeth's bedroom to pray, and in farewell dropped her a final curtsy. The Queen Mother regarded Margaret Rhodes as her "third daughter," and she has been extremely close to her cousins, the Queen and Princess Margaret, throughout their lives. Full of charming anecdotes, fascinating characters, and personal photographs, this is an unparalleled insight into the private life of the British monarchy. "Surprisingly addictive." --New Zealand Herald
