This interactive book introduces young children to the world of the farm. Vibrantly illustrated background, stickers, and punch-outs come together to provide hours of imaginative fun. The background scene, a stand-up panorama of the farmyard and stable, is perfect for stickering as the child envisions his very own farm, and then serves as the backdrop to punch-out playtime. The sturdy punch-outs are perfectly sized for little hands, and include boy and girl farmers, animals, and machinery. Use stickers to keep chickens in their coop, horses grazing near the stable, or lead the cows to pasture. All together, Sticker, Punch-out, & Play!: On the Farm makes for interactive play and limitless fun.

Baby can explore life on a farm with the help of adorable illustrations of animals alongside favorite Disney characters! Little ones will love petting all the farm animals and expanding their vocabulary along the way!

Just how extensive is your or your children's knowledge of farm animals? Are you able to name which animal gives so many of us wool for our clothing? Or what a boy chicken is called? Or which animal has its own set of shoes? Farms are a major part of many countries and they have provided many different types of food and resources. Naturally, one of the most important parts of any farm is the variety of animals that inhabit it. With fewer family farms, children may be fascinated by but not know much about farm animals. Children who aren't familiar with animals on a farm are sure to love learning about them, and how they provide for us. From chickens, cows, and horses, to rabbits and more, you'll find a wide variety of questions on all sorts of farm animals presented in a fun and interactive way. The book is designed not only as a game, but as a picture book for younger children. The pictures allow for a greater level of interactivity and education as the kids play and can relate questions back to the pictures.

Supports matching & fine motor skills Encourages exploration of animals & sounds Reinforces language & literacy growth With the look and feel of a classic children's book, Busy Noisy Farm is a first look--and listen--around a farm. As you read the story, you will see picture icons that cue little ones to find the buttons and play the sound effects. You'll hear 10 different sounds as the farmer rides his tractor around the farm, looking for a missing pig. ISBN: 978-1-68052-032-3 11.0"w x 11.0"h 5 story spreads wood inlay on sound module foil on cover
