One for the Murphys: Amazon.co.uk: Hunt, Lynda Mullaly: Books

It's about Carley Connors who is finds herself in the foster care system and placed with the Murphys. The book is told in first person from the perspective of Carley and I felt the author really captured the angst, worry and vulnerability of a 12-year old child put with a family she doesn't know.

One for the Murphys: Amazon.co.uk: Lynda Mullaly Hunt: Books

Synopsis. In the wake of heart-breaking betrayal, Carley Connors is thrust into foster care and left on the steps of the Murphys, a happy, bustling family. Carley has thick walls and isn't rattled easily, but this is a world she just doesn't understand. A world that frightens her. So, she resists this side of life she'd believed did not exist with dinners around a table and a "zip your jacket, here's your lunch" kind of mom.

Everything is attitude.”. ? Lynda Mullaly Hunt, quote from One for the Murphys. “We've both changed. We're tired of having the world push us into places we don't want to be. We're both scared of losing love that maybe we never had to being with. We can have whatever we want in our lives. It's only a matter of deciding.

An award-winning first novel follows the experiences of foster kid Carley, who uses humor and street smarts to cope with her unpredictable life until the loving, bustling Murphy family offers her more stability and a greater sense of belonging than she ever thought possible.

From the author of the New York Times bestselling novel *Fish in a Tree!* Carley uses humor and street smarts to keep her emotional walls high and thick. But the day she becomes a foster child, and moves in with the Murphys, she's blindsided. This loving, bustling family shows Carley the stable family life she never thought existed, and she feels like an alien in their cookie-cutter-perfect household. Despite her resistance, the Murphys eventually show her what it feels like to belong--until her mother wants her back and Carley has to decide where and how to live. She's not really a Murphy, but the gifts they've given her have opened up a new future. "Hunt's writing is fearless and *One For The Murphys* is a story that is at once compassionate, thought-provoking and beautifully told. From the first page, I was drawn into Carley's story. She is a character not to be missed or forgotten." —Jacqueline Woodson, National Book Award-winning author of *Brown Girl Dreaming* Winner of the Tassy Walden Award for New Voice in Children's Literature

After heartbreaking betrayal, Carley is sent to live with a foster family and struggles with opening herself up to their love, in this debut novel.

Orphan Black meets Margaret Atwood in this twisty supernatural thriller about female power and the bonds of sisterhood Josephine Morrow is Girl One, the first of nine Miracle Babies conceived without male DNA on an experimental commune known as the Homestead. The Girls were raised in the shadow of controversy—plagued by zealots calling them aberrations and their mothers demons—until a devastating fire at the Homestead claimed the lives of three people, leaving the survivors to scatter across the United States. Years later, upon learning that her mother has gone missing, Josie sets off on a desperate road trip, tracking down the only people who might help: her estranged sisters. Tracing clues her mother left behind, Josie joins forces with two of the Girls, and they journey back through their past, uncovering secrets about their origins and unlocking devastating abilities they never knew they had. *Girl One* combines the provocative imagination of Naomi Alderman's *The Power* with the propulsive, cinematic storytelling of a Marvel movie. In her electrifying, wildly entertaining new novel, Sara Flannery Murphy delivers a rousing tale of love, ambition, power, and the extraordinary bonds of sisterhood.

To apprehend a demonic murderer, Delaney Murphy must abandon her self-imposed isolation, accept help from new companions, and embrace the magical abilities that make her the Devil's daughter.

Running away from home hasn't solved Iphigenia Murphy's problems. In fact, it's only a matter of time before they'll catch up with her. Iffy is desperate to find her long-lost mother, and, so far, in spite of the need to forage for food and shelter and fend off an unending number of creeps, living in Queens' Forest Park has felt safer than living at home. But as the summer days get shorter, it all threatens to fall apart. A novel that explores the sustaining love of friendship, the kindness of strangers, and the indelible bond of family, Iphigenia Murphy captures the gritty side of 1992 Queens, the most diverse borough in New York City. Just like Iffy, the friends she makes in the park—Angel, a stray dog with the most ridiculous tail; Corinne, a young trans woman who is escaping her own abusive situation; and Anthony, a former foster kid from upstate whose parents are addicts—each seek a place where they feel at home. Whether fate or coincidence has brought them together, within this community of misfits Iffy can finally be herself, but she still has to face the effects of abandonment and abuse—and the possibility that she may be pregnant. During what turns out to be a remarkable journey to find her mother, will Iffy ultimately discover herself?

Murphy, Samuel Beckett's first published novel, is set in London and Dublin, during the first decades of the Irish Republic. The title character loves Celia in a "striking case of love requited" but must first establish himself in London before his intended bride will make the journey from Ireland to join him. Beckett comically describes the various schemes that Murphy employs to stretch his meager resources and the pastimes that he uses to fill the hours of his days. Eventually Murphy lands a job as a nurse at Magdalen Mental Mercyseat hospital, where he is drawn into the mad world of the patients which ends in a fateful game of chess. While grounded in the comedy and absurdity of much of daily life, Beckett's work is also an early exploration of themes that recur throughout his entire body of work including sanity and insanity and the very meaning of life.

"If the Shoe Fits encompasses everything I love about rom-coms. I laughed, I swooned, I smiled. Another hit for Julie Murphy!" —Colleen Hoover, #1 New York Times best-selling author of *Hopeless* If the shoe doesn't fit, maybe it's time to design your own. Cindy loves shoes. A well-placed bow or a chic stacked heel is her form of self-expression. As a fashion-obsessed plus-size woman, she can never find designer clothes that work on her body, but a special pair of shoes always fits just right. With a shiny new design degree but no job in sight, Cindy moves back in with her stepmother, Erica Tremaine, the executive producer of the world's biggest dating reality show. When a contestant on *Before Midnight* bows out at the last minute, Cindy is thrust into the spotlight. Showcasing her killer shoe collection on network TV seems like a great way to jump-start her career. And, while she's at it, why not go on a few lavish dates with an eligible suitor? But being the first and only fat contestant on *Before Midnight* turns her into a viral sensation—and a body-positivity icon—overnight. Even harder to believe? She can actually see herself falling for this Prince Charming. To make it to the end, despite the fans, the haters, and a house full of fellow contestants she's not sure she can trust, Cindy will have to take a leap of faith and hope her heels—and her heart—don't break in the process. Best-selling author Julie Murphy's reimagining of a beloved fairy tale is an enchanting story of self-love and believing in the happy ending each and every one of us deserves.

Addie is waiting for normal. But Addie's mom has an all-or-nothing approach to life: a food fiesta or an empty pantry, jubilation or gloom, her way or no way. All or nothing never adds up to normal. All or nothing can't bring you all to home, which is exactly where Addie longs to be, with her half sisters, every day. In spite of life's twists and turns, Addie remains optimistic. Someday, maybe, she'll find normal. Leslie Connor has created an inspiring novel about one girl's giant spirit. *waiting for normal* is a heartwarming gem.

"Sure to go down as an important piece of military-memoir history...a fast-paced, insightful, hold-nothing-back memoir" (Brandon Webb, former Navy Seal, New York Times bestselling author) from a former Army Ranger sniper and Special Operations weapon sergeant-turned-journalist about the incredible highs and devastating lows of his career. Growing up in small New York towns, Jack Murphy knew he wanted to lead a life far from the ordinary—a life of adventure and valor. After the 9/11 attacks, he enlisted in the Army, knowing this was his chance to fight for a cause he staunchly supported. After making it through the rigorous Ranger Indoctrination Program, he graduated from sniper school and was promptly deployed to Afghanistan, where his experiences went from ordinary to extraordinary. In this gripping military memoir, Murphy recounts the multiple missions he underwent as a Ranger, a Special Forces weapons sergeant, and ultimately, a boots-on-the-ground journalist. From enemy ambushes, dodging explosives, crashing terrorists' weddings, and landing helicopters in the streets of Mosul, Jack provides a hard-hitting glimpse of what combat is like in some of the world's most dangerous, war-torn places. With tours of duty in two of the most decorated units of the armed forces, Murphy brings a unique perspective to the military genre as he reflects on his great triumphs and shattering failures both on and off the battlefield. Later, Murphy turned his attention to breaking news within the military. His stories have taken him from Iraq to Switzerland, from Syria to South Korea. From crossing Middle Eastern borders in the dead of night, to rolling into an IED-laden zone, Murphy's stories are always a thrill a minute. "Powerful. Gritty. Real. An absolutely captivating account of bravery and adventure" (Brad Thor), *Murphy's Law* tells a story of intense bravery and sacrifice—both on and off the battlefield.
