– Aubrey – He's not what I expected. He's just... so much more than I imagined he'd be. Cops around here aren't exactly honorable, and yet, I found myself trusting the one in my own backyard, quite literally the floor above me. Still, my instincts have been wrong before. My heart tells me to let him in completely, to love him completely. But I learned to stop following my heart a long time ago. – Adam – She's locked up tight and won't let go. A single mother, she's bound by the struggles she hides from the world around her. These trials do nothing but burden her, test her in the worst possible way. But I have struggles of my own, secrets, and with their depth, they don't just test me. They consume me and have the capability of breaking me completely, of breaking us completely. – Aubrey & Adam – Only love will help us. Only love will save us.

Sugar... That's some kind of name, isn't it? It wasn't any type of name I'd heard of, but across the world, it seemed I was the only one. You see, he's an international superstar, talented, sexy, and one day, he comes walking into my record store. He tells me he wants to buy some music, and later on, wants to get to know me a little better. I had no idea he was here for his American debut, nor that he was one of the most successful rappers South Korean music had ever seen. If I had, I might not have been so frazzled when I found out and accidentally kidnapped him. But then again... Maybe that wouldn't have mattered anyway.

He's noticed by everyone... Griffin Chandler. He's captain of our college's basketball team. I swear to God I've already seen him in a Nike ad, and he's one of the top picks when he goes pro following our spring graduation. His life is on display for the world. Both his accomplishments and demons there for judgment. I'm a girl who likes to play roller derby from, of all places, Wisconsin. My own demons better concealed. And one day... He notices me. Found by You is a new adult contemporary romance.

She's lost her friends, her parents are driving her crazy, her brother is dying—and she's helpless to change anything. Until she receives mysterious instructions on how to become a Contender in the Brimstone Bleed. It's an epic race across jungle, desert, ocean, and mountain that could win her the prize she desperately desires: the Cure for her brother's illness.
