Not Talk About Anything Else but Love * Live Before We Die * The Moon and Me * Morticia * One Normal Night * Pulled * Waiting * What If * When You're an Addams.

International Launch Site Guide provides payload planners with valuable information useful in selecting candidate launch sites for military or commercial payloads. It covers the history, current facilities, and point of contact for 21 of the most active launch sites in the world and provides information on worldwide launch sites capable of launching commercial payloads. The sites covered are those that have been historically active or are expected to be active in the near future.

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Originally published in France, this cruising guide to Brazil has been produced to the same high standards as Imray's major pilot books. Over 250 harbours and anchorages are described and illustrated in full colour with charts and photographs. 2010 edition.

World Development Indicators (WDI) is the World Bank's premier annual compilation of data about development. This year's print edition and e-book have been redesigned to allow users the convenience of easily linking to the latest data on-line.

Whether you're an adventurer who enjoys wild weather, a traveller seeking climate details for Madagascar or Mumbai, or simply curious about those charts on the evening news, The Rough Guide to Weather is precisely what you need. From world climates and weather science to tips on how to read the sky and make sense of a forecast. Illustrated throughout with photographs and climate charts and useful links to hundreds of Internet resources for every continent, this guide will help you stay a head of the storm.
