Osho, also known as Rajneesh or Bhagwan Shree Rajneesh, was an Indian mystic and a spiritual master who had a big influence on the sexual tantra movement all around the world. He's known for his controversial talks and strong statements about topics that many consider taboos. I wanted to write something about him, but I did not quite know where to start.

The Bhagwan Shree Rajneesh and his followers were involved in nefarious activities including prostitution, drug smuggling, sexual abuse of children, and murder conspiracy. The Rajneesh Chronicles explains this behavior--and why the cult that committed the first act of bioterrorism in the U.S. was trying to cultivate a live AIDS virus. Bhagwan Shree Rajneesh, widely known as the "sex guru," fled India in 1981 and came to settle on a ranch in central Oregon, where he and his followers established the illegal city of Rajneeshpuram. In their effort to preserve the city, the Rajneeshees attempted during the 1984 election to take control of the Wasco County government by poisoning two county commissioners and over 700 potential voters in The Dalles, the county seat, with salmonella—the first act of bioterrorism in U.S. history. Armed to the teeth with semiautomatic weapons, they threatened to defend the city to the death against any governmental intrusion, and hatched a plot to assassinate a U.S attorney. When the commune finally imploded and authorities arrived on the scene, they discovered that the Rajneesh nurse who had cultivated salmonella bacteria in the commune's biological warfare laboratory was also trying to cultivate a live AIDS virus—which deranged group leaders clearly hoped to unleash on the rest on the world. The Rajneesh Chronicles is a collection of in-depth investigative and analytical articles published in Oregon Magazine covering the entire period from the time of the cult's arrival in Oregon in mid-1981 to its dramatic disintegration at the end of 1985 (with an introductory chronology that extends the story up to the present). While most press treated the cult's antics as a humorous sideshow typified by the Bhagwan's dozens of Rolls-Royces, editor in chief Win McCormack and other of the magazine's writers systematically exposed the full range of the Rajneeshees'

Read Online Osho Bhagwan Shree Rajneesh Home

depraved behavior, including their involvement in prostitution and international drug smuggling, sexual exploitation of children, abuse of homeless people they imported into Rajneeshpuram to register as voters, and the use of brainwashing techniques bordering on torture. The tale of the Rajneesh has become an amorphous legend few inside or outside of Oregon actually understand. The Rajneesh Chronicles fully illuminates the shocking reality behind that legend.

A complex tale of breathtaking ambition, flamboyant personalities, palace intrigue, and many victims along the path to enlightenment. In 1981, Ma Ananda Sheela convinced the world-famous Indian guru Bhagwan Shree Rajneesh to move to the United States so she could fulfill his dream of building a modern utopia. Four years later, the Rajneeshpuram commune in Oregon collapsed under the staggering weight of criminal conspiracies, attempted murders, and the guru's unrelenting taste for luxury goods. Rajneeshpuram explores how this extraordinary community went so wrong, presenting the comprehensive story of how leaders developed their sophisticated commune in the Oregon high desert, and how the idealistic, progressive community transformed into a militarized police state. Drawing from extensive interviews with former disciples and an unprecedented review of commune records, law enforcement files, recordings, and archival materials, author Russell King probes why so many people were drawn to this controversial Indian guru and the legal and political dynamics that led commune leaders to lie, cheat, and poison to preserve their vulnerable community. Rajneeshpuram will tell the Rajneesh story from a modern perspective, using newly available information and interviews with disciples who have never before shared their stories.

The Three Dangerous Magi reveals scandal, mayhem, death, sex, drugs, ecstasy, enlightenment, in the lives of the three most notorious sages of the 20th century. Use their story for personal transformation.

Eight top singers talk about chanting, the new cultural phenomenon sweeping from coast to coast in the US.

“When a battle is raging within, enemies appear on the outside.” Osho—the provocative spiritual teacher whom novelist Tom Robbins called “the most dangerous man since Jesus Christ”—provides illuminating commentary on the classic Hindu scripture, the Bhagavad Gita. His eye-opening interpretation exposes the roots of our contemporary personal and global problems and reveals how the patterns and conditionings of our minds create misery, dilemma, conflict, and war. Most important, Osho offers his timeless solution to the problem by expanding on Krishna’s psychological vision and drawing wisdom from the sacred text.

Osho Never Born Never Died. Only visited this Planet Earth between December 11, 1931-Janurary 19, 1990. As this final inscription suggests, Osho Rajneesh was a paradox: an individual with no claims to being an individual a Master with thousands of disciples who refused to be a Master. He has variously been seen as the god that failed ,the most dangerous man since Jesus Christ and the Buddha for the future .This book brings together some of the best short writings in English on Osho and neo-Sannyasa. Some of the pieces are celebratory, some inquisitive but uncommitted, some scholarly, and some frankly sceptical. The book is divided into four parts, dealing with Osho himself, his Community, Meditation and Therapy, and the Decline and

Renewal of his movement, with a postscript on the present commune. Together the papers provide a full picture of a complex man and a vibrant, if turbulent, religious movement.

Did Osho truly die a natural death? Or were there other forces at play? 27 years after Osho's death, investigative journalist Abhay Vaidya reveals shocking details of the case that he tracked for nearly three decades. Osho's death on 19th January, 1990 triggered intense factional fights and intrigue among his closest followers for the control of the funds, intellectual properties and other lucrative assets of the Movement. *Who Killed Osho?* not only captures the history of the Movement but is also the definitive account to date of Osho's death and that of his soulmate, Nirvano. Throwing fresh light on the controversial circumstances of their deaths, this book makes a case for investigations into the affairs of the Osho trusts as they exist today.
