This is my favorite of the Outlander 2017 Calendars. I had to have  
them all. This is your typical full size wall calendar and the quality is  
good. The pictures are all from Season 2, unlike the other 2  
calendars for 2017 (mini and desktop) The pictures seem to be all  
from the first half of the season while in Paris but that is fine with  
me.

Whether myth or reality, this Tibet no longer exists. With the Chinese communist invasion of 1950 came the end of a unique and timeless culture and lifestyle. Within less than 30 years, the majority of the countrys population had been forced from their homes. Dispersing across the world, especially into India, they carried with them the very culture and traditions that today are in danger of being obliterated by the ruling majority of China. Tibet In Exile is a photographic record of life for the Dalai Lama and his people in exile. The introductory text traces the history of Tibet and is illustrated with valuable historic photographs. The internationally renowned Magnum photographer Raghu Rai has compiled a unique pictorial essay on the Tibetan refugees and their leader in India. A decade has passed since the first edition was published. This new edition of Tibet in Exile features an update on the leader and his proud people, revealing the vibrancy and continuity of the Tibetan community outside of China, and communicating its enormous importance to world culture.
