Targeted to gamers between the ages of eight and twelve, this full-color, unofficial, ninety-six-page strategy guide will cover the PlayStation 4, Xbox One, and PC editions of Blizzard Entertainment's mega-popular game Overwatch: Game of the Year Edition. Each section of the book will feature detailed, yet easy-to-understand tips and strategies, along with screenshots that will help readers quickly master the game when experiencing the Competitive Play (multiplayer) mode. Overwatch Hacks will offer details about each of the game's 26 core heroes, and describe each hero's unique strengths, weaknesses, abilities, and ultimate abilities. Since Overwatch is all about multi-player team play, an emphasis on what each hero's abilities are best suited for—related to offense, defense, tank, or support—will be covered, as will how a player should adapt their overall gameplay strategy based on

which hero they choose to control, and what role they'll be playing as a member of their team. This game is very much about team collaboration, communication, and coordination, and the tips and strategies outlined in this book will focus heavily on these elements of the game. Readers will also discover what they need to know about the maps and locations where battles occur, and learn how to adapt their strategy based on their location within the game in order to complete location-specific objectives. Finally, this guide will offer tips for best utilizing customization options and loot. Whether a gamer is playing with AI controlled team members, random online players, or their best friends, the reader will go into each battle and adventure with the knowledge and strategies needed to achieve victory. As a team-based shooter set in the near future, Overwatch was one of the fastest games in history to attract more than 30 million active players. It continues to win awards and be among the most popular multiplayer games available for the PlayStation 4, Xbox One, and Windows PC platforms.

The world still needs heroes. Are you with us? Enter the first-ever original novel for Overwatch, the worldwide gaming sensation from Blizzard Entertainment! In the technologically advanced African city of Numbani, in the not-so-distant future, humans live in harmony with humanoid robots known as omnics. But when a terrorist tries to shatter that unity, a hero named Efi Oladele rises! Efi has been making robots since she was little -- machines to better her community and improve people's lives. But

after she witnesses Doomfist's catastrophic attack on the city's OR15 security bots, Efi feels the call to build something greater: a true guardian of Numbani. While Doomfist sows discord between humans and omnic, Efi engineers an intelligent and compassionate robot, Orisa, named after the powerful spirits who guide her people. Orisa has a lot to learn before she's ready to defeat Doomfist, but Efi has some learning to do, too, especially when it comes to building -- and being -- a hero. With Doomfist rallying his forces, and the military powerless to stop him, can Efi mold Orisa into the hero of Numbani before it's too late? This action-packed novel features the fan-favorite characters Efi, Orisa, Doomfist, and Lúcio in an all-new, original story straight from the minds of the Overwatch game team and critically acclaimed author Nicky Drayden!
