'No one has ever come out alive' Hal and Roger Hunt crash-land into the middle of a pioneering expedition to the unmapped regions of the greatest jungle on earth: the Amazon. And when their mission to explore the uncharted territory of the Pastaza River goes off course . . . it's the survival of the fittest.

Willard Price travelled to 148 countries and visited some extraordinary places over his lifetime. He was endlessly curious about the ways of other peoples, particularly remote societies. He lived in Japan for five years, became a US spy and was sent by various periodicals to explore territory barely chartered by the Western world.

'Never trust sharks...' Hal and Roger Hunt dive into danger when they join the Oceanographic institute as part of an underwater operation in the South Seas. And it's sink or swim for the intrepid brothers when their aquatic adventures bring them face to face with a foe even more deadly than the sea creatures of the deep...

The human bait was the boys themselves. Hal and Roger Hunt have been sent on a terrifying mission -- they must save the population of Mtito Andei from a man-eating lion. But the 'King of the Beasts' isn't the only thing trying to kill the boys... Have the brothers bitten off more than they can chew this time?

Two brothers go on an expedition to the Himalayas in search of wild animals for their family's animal farm.

A reissue of Willard Price's classic adventure series set in the animal kingdom. Hal and Roger Hunt dive

straight into danger on a specimen-collecting trip to Undersea City. But it's not just sharks and killer whales the brothers have to fear when they are plunged into the depths of another adventure.

Adventure, animals and action in the first authorized Willard Price book by award-winning author Anthony McGowan, for 8+ readers. Deep in the remote forests of Siberia, a mother Amur leopard, one of the rarest big cats in the world, senses danger. Something faster than any human and deadlier than any tiger. Meanwhile Amazon Hunt, aged twelve, is recruited from England by Tracks in America, ready to take off at a moment's notice to rescue wild animals under threat - no matter how great the danger. Now Amazon and her thirteen-year-old cousin Frazer must brave the Russian wilderness to save the Amur leopard, before a blazing forest fire wipes out the race - for good . . . Anthony McGowan is a multi-award-winning author of books for adults, teenagers and younger children. He has a life-long obsession with the natural world, and has travelled widely to study and observe it. He has also written feature articles and travel journalism for The Times, Guardian, Daily Telegraph, Evening Standard and Mail on Sunday.

'Fountains of fire, explosions ...it's hell let loose.' Hal and Roger Hunt embark on an earth-shattering expedition when they join forces with world-famous volcanologist Dr Dan Adams. And as their ground-breaking research of the volatile Pacific volcanoes heats up, the brothers' mission erupts into an awesome adventure...

Hal and Roger Hunt are both the hunters and the hunted in this spellbinding tale of adventure that leads them on the trail of a man-eating leopard, and also puts them in the sights of a band of vicious killers
