"Serving as a road map to today's technologies, systems, regulatory issues, and pricing schemes for electronic toll collection and road user charging, this authoritative book helps professionals cut through the maze of available solutions and design options, so they can match the right technology to their policy needs."--BOOK JACKET.

GUIDE TO ELECTRONIC TOLL PAYMENTS shows you how to avoid congestions on toll roads, bridges and tunnels, how to save time and money and even travel at highway cruising speeds by paying your tolls electronically. This book, which covers mainland US, Puerto Rico and Canada, looks at each toll operator separately and gives tips on how you can save money by not paying the full fare again on average. Electronic Toll Collection (ETC) is a proven and efficient method with lots of satisfied motorists using it everyday. Still paying cash at toll plazas? You are over paying, losing time waiting in the queue and polluting the environment. If you live or drive through a region with toll roads, bridges or tunnels this book will help you understand not only how ETC works but how to open your account and who to call when you need help. James M. Mwape, MBA, MS, is a Business Manager for the E-ZPass Interagency Group. He currently serves on the OmniAir Consortium, Inc. Electronic Payment Systems Committee as Co-Chair. He is also an active participant in the I-95 Corridor Coalition Electronic Payment Systems and speaks at various conferences on Electronic Payments. He has also worked in New York City and Yonkers Public School systems as a Chemistry teacher. Prior to September 11, terrorist attack on New York he worked in the banking and insurance industry in New York City. He is the Director of the River Academy, which provides free tutoring service to South Jersey students. He has traveled extensively around the world and speaks multiple languages. He lives in New Jersey and loves traveling, playing golf and bike riding with his wife Ruth and their three children Natasha, James, Jr. and Simon in his spare time.

Covers receipts and expenditures of appropriations and other funds.

Blessed by a Saint by Gerald L. Bowen Jr. is a compilation of short stories that, while fiction, are based on real events. These are stories of a family as they go through their everyday life caring for a precious child left severely multi-handicapped, both mentally and physically, after a traumatic birth. What could not be known or understood at the time is what a blessing the child they named Grace would be in their lives, and the lives of others. This angel sent from God achieves so much more than had been hoped and possesses abilities no one could have dreamed. "Grace finds goodness in everything..." from the song "Grace" by U2. This story will touch your heart and, hopefully, will move you to be more loving and understanding of individuals with disabilities. There is much that can be learned from these special people.

Bestselling Amish novelist Linda Byler's three heartwarming Christmas romances—in one affordable volume! Linda Byler is beloved for her skillful story telling and true-to-life descriptions of Amish food, faith, and culture. As an Amish woman herself, she can share details of Amish life that few can replicate. Here are three heartwarming novellas full of longing, tragedy, complicated feelings, and ultimately love. The More the Merrier: When Eli Miller passes away unexpectedly, and then a fire destroys their barn, Annie has no idea how she and her eight children will make ends meet. When she begins a friendship with a widower with six children of his own, Annie embarks on a new journey that will transform her and her large, complicated family. A Dog for Christmas: After years of loneliness and longing, Henry is finally rewarded with a hard-won love, a family to call his own, and a new best friend. Could there possibly be a better gift than that? A beautiful Christmas story of quiet triumph in the face of lifelong adversity. A Horse for Elsie: When tragedy strikes in the Amish community, Elsie is forced to let go of her teenage angst and grow up quickly. But sometimes letting go of one's desires has a way of allowing one to accept something even better. A tale of longing, desperation, and finally hope, this is a heartwarming Christmas tale to be remembered.

A heartwarming tale of longing and hope in Lancaster by bestselling author Linda Byler Elsie is desperate for a horse of her own, but her family barely has enough money to get by as it is—she knows they can't afford to buy a horse, never mind pay for the grain and hay to keep it fed through the winter. With her father injured, it's up to Elsie to help earn money for the family—while going to school and helping Mam with the other kids. So she buries herself in the daily tasks at hand and tries to forget her longing. But when her classmate Elam invites her to visit his family's horse farm one afternoon, she willfully forgets her responsibilities at home and follows him. Exhilarated by the strong, sleek Morgans and the musty smell of the barn, her passion for horses is reignited. As Elsie spends more time at Elam's farm, it becomes harder and harder to be the responsible young woman her parents expect her to be. Why should she have to work as a maud to earn money for her family when Elam gets to spend every afternoon riding? It isn't fair, and to make matters worse, now she's expected to go to singings and play games with the other youth who are old enough to start dating, when all she wants is to be out riding. It's a waste of time, she figures—it's not like any of the boys will want a poor, rebellious girl like her anyway. As she struggles to reconcile her anger and frustration with the obedience her Amish faith requires, she also starts to have confusing feelings for Elam. She's determined not to like him in that way. After all, he only sees her as free labor, someone to muck out stalls and work the horses. Doesn't he? When tragedy strikes in the Amish community, Elsie is forced to let go of her teenage angst and grow up quickly. But sometimes letting go of one's desires has a way of allowing one to accept something even better. A tale of longing, desperation, and finally hope, this is a heartwarming Christmas tale to be remembered.
