~~Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.~~

~~2016 Newbery Honor Book New York Times Bestseller An impassioned, uplifting, and virtuosic tour de force from a treasured storyteller! Lost and alone in a forbidden forest, Otto meets three mysterious sisters and suddenly finds himself entwined in a puzzling quest involving a prophecy, a promise, and a harmonica. All the children face daunting challenges: rescuing a father, protecting a brother, holding a family together. Richly imagined and masterfully crafted, Echo pushes the boundaries of genre, form, and storytelling innovation to create a wholly original novel that will resound in your heart long after the last note has been struck.~~
