With its hundreds of colour images and easy-to-understand diagrams, The Complete Digital Photography & Video Manual is an essential port of call for anyone from beginners to experienced photographers and videomakers. With the growth in sales of digital cameras and camcorders, many people now have access to the technology, but need an introduction to the many processes and facets involved. Whether you want to take a snap and put the image on your computer, or film a video complete with titles, sound and special effects, you will find everything you need in this book including: how to choose the right equipment and accessories; understanding your camera and its functions; guides to all the relevant techniques; advice on how to create the best pictures; tips on how to avoid common mistakes; and distributing your completed videos via festivals and the Internet.

A stylishly smart collection of practical advice for the busy modern woman With information on entertaining, etiquette, housekeeping, basic home repair, decorating, sex, and beauty, this indispensable book has everything today's young woman should know-but may not! The Modern Girl's Guide to Life is a collection of all the helpful tips and secrets that get passed on from generation to generation, but many of us have somehow missed. It's full of practical, definitive advice on the basics -- the day-to-day necessities like finding a bra that fits, balancing a checkbook, making a decent cup of coffee, and hemming a pair of pants. Modern Girl guru Jane Buckingham includes loads of savvy counsel to help us feel more refined, in charge, and together as we navigate the rocky terrain that is twenty-first-century womanhood.
