Besides the usual parenting challenges,

Download Free Parenting Your Powerful Child

parents of disabled children face added obstacles that can tax the resolve and resources of even the strongest families.

Peggy Lou Morgan has developed a powerful system for obtaining dramatically better care for children with one or more serious disabilities. Parenting Your Complex Child reflects the

Download Free Parenting Your Powerful Child

experience and knowledge she has gained through decades of navigating a sea of complex medical, educational, occupational, and social issues while working with disabled clients and with her own son. Morgan's unique tracking and documentation tools let parents adapt to their child's challenges, create routines

If you're a parent of one of the more than one million children in this country with

Download Free Parenting Your Powerful Child

obsessive-compulsive disorder, you know how confusing, even frightening, the symptoms of OCD can be. You're terrified of losing your child and angry about the havoc this disorder has wreaked in your family. More than anything, you want to be able to unlock the secrets of OCD, understand the cause of your child's

hundreds of children and teenagers with this disorder. In Part I, Dr. Chansky "cracks the code" of the peculiar rules and customs of OCD -- the handwashing, tapping, counting, and so forth. She explains how OCD is diagnosed, how to find the right therapist partner, and how to tailor treatment options to your child's

needs. You'll learn how powerful behavioral modification can be and when medication can help. In Part II, you'll learn how not to be pulled in by your child's debilitating rituals at home or at school, how to talk to your child about the "brain tricks" OCD causes, and how to create an effective OCD battle plan that will

empower your child to "boss back" the OCD monster. You'll also learn how to cope in moments of crisis. Part III offers specific advice for how to help your child handle the most common manifestations of OCD such as fears of contamination, checking, getting things "just right," intrusive thoughts, and more. Part IV is an
