Dear V1 Owner: When an interest lasts for a year or two, that's a hobby. When it goes on more than half a lifetime, that's an obsession. I can't help it. Designing black boxes to sniff out ever fainter radar and laser signals is, to me, the most interesting game on the planet. Sabia Ilie lost her promised mate and her Lycanthrope pack to the mystical Cavanaugh clan several months earlier, and now the oldest of their sons has taken over her life. He's a bossy brute, a dark and dangerous demon hunter, but beneath the hard surface, she's sure there is just a man who struggles to remember his humanity. The question is... Just how much of her life is she willing to risk losing, to save his?

A brief, lyrical novel with
a powerful emotional charge,
Rules for Old Men Waiting is
about three wars of the
twentieth century and an
ever-deepening marriage. In
a house on the Cape "older
than the Republic," Robert
MacIver, a historian who
long ago played rugby for
Scotland, creates a list of
rules by which to live out
his last days. The most
important rule, to "tell a
story to its end," spurs the
old Scot on to invent a

strange and gripping tale of men in the trenches of the First World War. Drawn from a depth of knowledge and imagination, MacIver conjures the implacable, clear-sighted artist Private Callum; the private's nemesis Sergeant Braddis, with his pincerlike nails; Lieutenant Simon Dodds, who takes on Braddis; and Private Charlie Alston, who is ensnared in this story of inhumanity and betrayal but brings it to a close. This invented tale of the Great War prompts MacIver's own memories of his role in World War II and of Vietnam, where his son, David served. Both the stories and the

memories alike are lit by the vivid presence of Margaret, his wife. As Hearts and Minds director Peter Davis writes, "Pouncey has wrought an almost inconceivable amount of beauty from pain, loss, and war, and I think he has been able to do this because every page is imbued with the love story at the heart of his astonishing novel."
