The search for a means to an end to apartheid erupts into conflict between a black township youth and his "old-fashioned" black teacher.

An Oprah Book Club selection, *Cry, the Beloved Country*, the most famous and important novel in South Africa's history, was an immediate worldwide bestseller in 1948. Alan Paton's impassioned novel about a black man's country under white man's law is a work of searing beauty. *Cry, the beloved country*, for the unborn child that is the inheritor of our fear. Let him not love the earth too deeply. Let him not laugh too gladly when the water runs through his fingers, nor stand too silent when the setting sun makes red the veld with fire. Let him not be too moved when the birds of his land are singing, nor give too much of his heart to a mountain or valley. For fear will rob him of all if he gives too much. The eminent literary critic Lewis Gannett wrote, "We have had many novels from statesmen and reformers, almost all bad; many novels from poets, almost all thin. In Alan Paton's *Cry, the Beloved Country* the statesman, the poet and the novelist meet in a unique harmony." *Cry, the Beloved Country* is the deeply moving story of the Zulu pastor Stephen Kumalo and his son, Absalom, set against the background of a land and a people riven by racial injustice. Remarkable for its lyricism, unforgettable for character and incident, *Cry, the Beloved Country* is a classic work of love and hope, courage and endurance, born of the dignity of man.

This book presents a comprehensive, systematic approach to the development of learning strategies.

Dreams are the currency of Okri's writing, particularly in this first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending" - Giles Foden, *Times Literary Supplement*

A farmhouse is being reproduced a dozen times, with slight variations, throughout a valley. Three small graves have been dug in the front garden, the middle one lying empty. A woman in a wheelchair sorts through boxes while her husband clambers around the old demolished buildings, wondering where the animals have gone. A young woman - called 'the barren one' behind her back - dreams of love, while an ageing headmaster contemplates the end of his life. At the entrance to the long dirt driveway, a car appears and pauses - pointed towards the house like a silver bullet, ticking with heat. So begins *The Dream House*, Craig Higginson's riveting and unforgettable novel set in the Midlands of KwaZulu-Natal. Written with dark wit, a stark poetic style and extraordinary tenderness, this is a story about the state of a nation and a deep meditation on memory, ageing, meaning, family, love and loss. This updated 2016 edition contains new content, with Craig Higginson exploring the background to *The Dream House*, his varied experiences in a farmhouse in KwaZulu-Natal and the subsequent and poignant motivations for this moving novel.

The Crucible is a 1953 play by American playwright Arthur Miller. It is a dramatized and partially fictionalized story of the Salem witch trials that took place in the Massachusetts Bay Colony during 1692/93. Miller wrote the play as an allegory for McCarthyism, when the United States government ostracized people for being communists. The play was first performed at the Martin Beck Theatre on Broadway on January 22, 1953, starring E. G. Marshall, Beatrice Straightand Madeline Sherwood. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although *The New York Times* noted "a powerful play [in a driving performance]"). Nonetheless, the production won the 1953 Tony Award for Best Play - In Salem Massachusetts, a group of girls of Girls are caught by the puritan Minister Reverend Paris dancing naked in the forest. The Reverend's daughter collapses immediately on sighting her father knowing well the consequences of their sin and the severe punishment that may be met on them. They however allege that they have been bewitched by the witches. - Due to their claims, a special court is set up to investigate this alleged claim by the girls prompting judges to come all the way from Boston to assist the residence of Salem - As court proceedings are going on, the supposedly afflicted girls indict individuals in the town of witchcraft, over and over again choosing victims who they or their families loathe. The special courts discovers over a hundred of Salem citizens are witches...The court's attempt to preserve Puritan morality by arresting and putting to death accused witches ironically leads to the removal of the most righteous people in the society.

Hamlet, probablemente compuesta entre 1599 y 1601, transcurre en Dinamarca y relata cómo el príncipe Hamlet lleva a cabo su venganza sobre su tío Claudio quien asesinase al padre de Hamlet, el rey, y ostenta la corona usurpada así como nupcias con Gertrudis, la madre de Hamlet. La obra se traza vividamente alrededor de la locura (tanto real como fingida) y el transcurso del profundo dolor a la desmesurada ira. Además explora los temas de la traición, la venganza, el incesto y la corrupción moral.
