A session by session guide book for mental health practitioners on how to conduct evidence-based couples counseling. The book guides the therapist step by step through twelve sessions, and covers everything from the very first client phone call all the way through termination.

In any endeavor, dreams and goals not backed by concrete plans and preparations can result in failure. And marriage is no exception, claims H. Norman Wright. In fact, without solid planning and forethought by engaged couples, we will surely see a continuation of the startling divorce rate among Christians and non-Christians alike. On the other hand, thorough premarital counseling and preparation can result in lifelong marriages that are fulfilling and God honoring. That's where the church comes in. More and more churches are realizing that their responsibility lies not only in pronouncing men and women 'husband and wife', but also in making sure the proper foundation is laid so that marriages have a better chance of standing strong under pressure. Since its introduction in 1977 as Premarital Counseling, this book has been used by literally thousands of churches throughout the country as both a guide and reference tool. Now Dr. Wright has added new material to cover some perplexing issues that have come into prominence only recently. Among those special concerns are: Interracial marriages Second marriages Marriages of persons from dysfunctional families Writing for both pastors and other premarital counselors, H. Norman Wright sets you at ease about the counseling process, even if you've had only limited counseling experience. As the author of the popular Before You Say I Do and numerous other books on marriage, H. Norman Wright documents in The Premarital Counseling Handbook methods hat have proved successful. These will help insure that the marriages performed in your church will resist the pressures that are destroying today's married couples.

You hear and read a lot about ways to improve your relationship. But if you've tried these without much success, you're not alone. Many highly reactive couples—pairs that are quick to argue, anger, and blame—need more than just the run-of-the-mill relationship advice to solve their problems in love. When destructive emotions are at the heart of problems in your relationship, no amount of effective communication or intimacy building will fix what ails it. If you're part of a "high-conflict" couple, you need to get control of your emotions first, to stop making things worse, and only then work on building a better relationship. The High-Conflict Couple adapts the powerful techniques of dialectical behavior therapy (DBT) into skills you can use to tame out-of-control emotions that flare up in your relationship. Using mindfulness and distress tolerance techniques, you'll learn how to deescalate angry situations before they have a chance to explode into destructive fights. Other approaches will help you disclose your fears, longings, and other vulnerabilities to your partner and validate his or her experiences in return. You'll discover ways to manage problems with negotiation, not conflict, and to find true acceptance and closeness with the person you love the most.

Right From the Start: A Pastor's Guide to Premarital Counseling is a guide for pastors and counselors to help couples prepare for and succeed in married life.

Marriage is momentous and meaningful. This premarital counseling guidebook for gay and lesbian couples highlights the importance of asking questions, exploring viewpoints, and discovering a few surprises about your future spouse. It explores common issues faced by all couples as well as some issues which are unique to gay and lesbian couples. In this guidebook, you'll find composite case studies illustrating real problems and creative solutions, and you'll find probing questions designed to help you learn more about your mate.

As you begin preparing for your big wedding day, this Marriage by GOD program is designed to assist you in preparing for a BIG MARRIAGE. Using the companion counselor's guide, a mature Christian couple can come beside you and mentor you through biblical principles and time-tested techniques for fulfilling God's great plan for marriage.
