"Do the Evolution" is a song by the American rock band Pearl Jam. Featuring lyrics written by vocalist Eddie Vedder and music written by guitarist Stone Gossard, "Do the Evolution" is the seventh track on the band's fifth studio album, *Yield* (1998). Despite the lack of a commercial single release, the song managed to reach number 33 on the Billboard Alternative Songs chart.

~~Pearl Jam - Do The Evolution~~

Pearl Jam's "Do The Evolution" is a heavy and deep criticism of humanity, mocking the economic, social, political, and religious system through the ages. The song's ideal is to show how the "progressive" animal, the man, can be the same cursed being that repeats the same destructive errors in all the times and may condemn Earth into doom. The song is a protagonist, whose voice is Vedder's ...

~~PEARL JAM - DO THE EVOLUTION~~

There has never been a band like Pearl Jam. The Seattle quintet has recorded eleven studio albums; sold some 85 million records; played over a thousand shows, in fifty countries; and had five different albums reach number one. But Pearl Jam's story is about much more than music. Through resilience, integrity, and sheer force of will, they transcended several eras, and shaped the way a whole generation thought about art, entertainment, and commerce. Not for You: Pearl Jam and the Present Tense is the first full-length biography of America's preeminent band, from Ten to Gigaton. A study of their role in history – from Operation Desert Storm to the Dixie Chicks; "Jeremy" to Columbine; Kurt Cobain to Chris Cornell; Ticketmaster to Trump – Not for You explores the band's origins and evolution over thirty years of American culture. It starts with their founding, and the eruption of grunge, in 1991; continues through their golden age (Vs., Vitalogy, No Code, and Yield); their middle period (Binaural, Riot Act); and the more divisive recent catalog. Along the way, it considers the band's activism, idealism, and impact, from "M.M.A." to the Battle of Seattle and Body of War. More than the first critical study, Not for You is a tribute to a famously obsessive fan base, in the spirit of Nick Hornby's Fever Pitch. It's an old-fashioned – if, at times, ambivalent – appreciation; a reflection on pleasure, fandom, and guilt; and an essay on the nature of adolescence, nostalgia, and adulthood. Partly social history, partly autobiography, and entirely outspoken, discursive, and droll, Not for You is the first full-length treatment of Pearl Jam's odyssey and importance in the culture, from the '90s to the present.

Vs. is the sound of a band on fire. The same confluence of talent, passion, timing, and fate that made "grunge" the world's soundtrack also lit a short fuse beneath Pearl Jam. The band combusted between late 1992 and mid-1994, the span during which they planned, recorded, and supported their sophomore record. The spotlight, the pressure, the pace-it all nearly turned the thriving act to ash. Eddie Vedder, the reluctant public face of the band, responded by lashing out lyrically. Jeff Ament, Mike McCready, and Stone Gossard, who beheld success with varying degrees of anxious satisfaction, attacked their instruments in solidarity. Dave Abbruzzese welcomed the rock-star lifestyle, and left his mark on the record with more than just potent percussion. Vs. rolls with fury-and at times, gently steams-over the trappings of fame, human faults, and societal injustice. The record is a thrashing testament to Pearl Jam's urgent creativity and greater-god interests, and the band's logistical calculations behind it drew a career-defining line in the sand. It promised the world that Pearl Jam would neither burn out nor fade away. This book weaves research, little-known details, and band members' memories into a definitive account of how Vs. set them on a path toward enduring integrity and relevance.

One of the most beloved and bestselling novels of spiritual adventure ever published, Ishmael has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. "A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny."—The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In Ishmael, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual Ishmael trilogy: ISHMAEL • MY ISHMAEL • THE STORY OF B Praise for Ishmael "As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year."—The Austin Chronicle "Before we're halfway through this slim book . . . we're in [Daniel Quinn's] grip, we want Ishmael to teach us how to save the planet from ourselves. We want to change our lives."—The Washington Post "Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur's Prayer: 'Lord, a little more time!' Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time."—Los Angeles Times

(Transcribed Score). This deluxe hard-cover book provides 130 complete lyrics and transcriptions of every song on the Pearl Jam albums Ten through Lightning Bolt. Every note from every instrument that was recorded for each song is carefully transcribed for an amazing documentation of this influential band. Songs include: Alive * Animal * Better Man * Black * Breakerfall * Corduroy * Daughter * Dissident * Do the Evolution * Elderly Woman Behind the Counter in a Small Town * Even Flow * Given to Fly * Go * Grievance * Indifference * Jeremy * My Father's Son * Not for You * Nothing As It Seems * Once * Porch * Rearviewmirror * State of Love and Trust * Wishlist * Yellow Ledbetter * and more. Book is packaged in its own protective box. A must-own for any serious Pearl Jam fan or collector! 7-2/8 x 10-7/8 .

The first scholarly discussion on the band, Pearl Jam and Philosophy examines both the songs (music and lyrics) and the activities (live performances, political commitments) of one of the most celebrated and charismatic rock bands of the last 30 years. The book investigates the philosophical aspects of their music at various levels: existential, spiritual, ethical, political, metaphysical and aesthetic. This philosophical interpretation is also dependent on the application of textual and poetic analysis: the interdisciplinary volume puts philosophical aspects of the band's lyrics in close dialogue with 19th- and 20th-century European and American poetry. Through this widespread philosophical examination, the book further looks into the band's immense popularity and commercial success, their deeply loyal fanbase and genuine sense of community surrounding their music, and the pivotal place the band holds within popular music and contemporary culture.

More than any other band, Pearl Jam embodies the alternative style that dominates rock today. From their early days as fame-ducking grunge pioneers, through their headline-making battle with Ticketmaster, to their current status as self-assured survivors, Five Against One brings to life Pearl Jam's tumultuous ascent to superstardom in rich detail. A compelling portrait of the band's elusive leader Eddie Vedder and family photos never seen before by the public make this a must-have for every Pearl Jam fan.
