In later years a four-cylinder diesel (Perkins Q20B) was also offered labeled as D-10 (light truck only). An ethanol-powered version of the C-10 was offered beginning in the 1981, dubbed the A-10.

Chevrolet C/K - Wikipedia
A Perkins iniciou as operações em Curitiba no ano de 2003 para produzir motores da série 1000, e em pouco mais de seis meses já tinha expandido a produção para a série 1100 também, com cerca de 50 funcionários. Hoje, com um time quase três vezes maior, conta também com variações eletrônicas desses motores em suas linhas de ...

Perkins Curitiba | Perkins
O Brasil é um Mercado dominante para motores fora de Estrada na América do Sul, respondendo por cerca de 70% dos motores vendidos nesse continente, e a Perkins está comprometida em atendê-lo. Nossa premiada planta de Curitiba, aberta em 2003, é uma evidência disso.

Covering an exhaustive range of information about the five boroughs, the first edition of The Encyclopedia of New York City was a success by every measure, earning worldwide acclaim and several awards for reference excellence, and selling out its first printing before it was officially published. But much has changed since the volume first appeared in 1995: the World Trade Center no longer dominates the skyline, a billionaire businessman has become an unlikely three-term mayor, and urban regeneration—Chelsea Piers, the High Line, DUMBO, Williamsburg, the South Bronx, the Lower East Side—has become commonplace. To reflect such innovation and change, this definitive, one-volume resource on the city has been completely revised and expanded. The revised edition includes 800 new entries that help complete the story of New York: from Air Train to E-ZPass, from September 11 to public order. The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations. Virtually all existing entries—spanning architecture, politics, business, sports, the arts, and more—have been updated to reflect the impact of the past two decades. The more than 5,000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail, and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis.

A superb color history on Chevrolet's pickup trucks from 1918-1984. This in-depth history traces the trends in truck styling and focuses on the popular 1950s and 60s period.

This report provides a detailed snapshot of our nation's passion for wildlife and nature. It serves as a road map to guide efforts to reach more Americans to provide them with opportunities to hunt, fish, and enjoy America's wildlife and wild places. Bird/wildlife watching, hunting, fishing are not just favorite pastimes, but they share revenues from sale of licenses and tags, as well as excise taxes paid by hunters, anglers, and shooters to continue to support vital wildlife and habitat conservation efforts in every state. The report outlines the details for compilation of information and surveys to different populations and provides highlights along with statistical information represented in tables from the data collected.
