Peter Pan

Peter Pan is a mischievous boy who decided he would never grow up. When he convinces Wendy Darling and her brothers to fly away with him, they travel to the island of Neverland in an enchanted world where adventures await around every corner. But when nefarious pirate Captain Hook captures Wendy and the boys, will Peter and the fairy Tinker Bell be able to save them? First published in 1911 with illustrations by F. D. Bedford, this is an unabridged version of Scottish author and playwright J. M. Barrie's iconic fantasy for children—and children at heart.

J.M. Barrie's classic tale of the "boy who would not grow up" Peter Pan originally appeared as a baby living a magical life among birds and fairies in J.M. Barrie's sequence of stories, Peter Pan in Kensington Gardens. His later role as flying boy hero was brought to the stage by Barrie in the beloved play Peter Pan, which opened in 1904 and became the novelPeter and Wendy in 1911. In a narrative filled with vivid characters, epic battles, pirates, fairies, and fantastic imagination, Peter Pan's adventures capture the spirit of childhood—and of rebellion against the role of adulthood in conventional society. This edition includes the novel and the stories, as well as an introduction by eminent scholar Jack Zipes. Looking at the man behind Peter Pan and sifting through the psychological interpretations that have engaged many a critic, Zipes explores the larger cultural and literary contexts in which we should appreciate Barrie's enduring creation and shows why Peter Pan is a work not for children but for adults seeking to reconnect with their own imagination. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
