Pharmacotherapy
Casebook: A Patient...

The purpose of the
Pharmacotherapy

Casebook is to help
students in the health
professions and
practicing clinicians
develop and refine the
skills required to identify
and resolve drug therapy
problems by using
patient case studies. Case
studies can actively

Download Free Pharmacothera

involve students in the learning process; engender self-confidence; and promote the development of skills in independent self-study, problem analysis, decision-making, oral communication, and teamwork.
