My philosophy of education are the types that are known as progressivism and existentialism. I believe that for me a combination of the two is a perfect way to teach. Progressivism is ideal because the teacher gives the student a say in what they can do within the classroom. It is a hands on system of working. I believe that students can learn very well if they do activities themselves.

Philosophy, wrote Wittgenstein, simply puts everything before us, and neither explains nor deduces anything. Hanfling takes seriously Wittgenstein's declaration of what he was doing, emphasizing Wittgenstein's rejection of theory and explanation in favor of description alone. He demonstrates the importance of Wittgenstein's philosophy to long-standing problems about language, knowledge, the mind, and philosophy itself. The book exposes common misunderstandings about Wittgenstein, and examines in detail the celebrated private
