English for Specific Purposes offers the teacher a new perspective on this important field. The main concern is effective learning and how this can best be achieved in ESP courses. The authors discuss the evolution of ESP and its position today; the role of the ESP teacher; course design; syllabuses; materials; teaching methods, and evaluation procedures. It will be of interest to all teachers who are concerned with ESP. Those who are new to the field will find it a thorough, practical introduction while those with more extensive experience will find its approach both stimulating and innovative.

Course planning and development, in the context of current theories of language learning.

Introducing Applied Linguistics provides in-depth coverage of key areas in the subject, as well as introducing the essential study skills needed for academic success in the field. Introducing Applied Linguistics: • is organised into two Sections: the first introducing Key Concepts in Applied Linguistics; and the second devoted to the Study Skills students need to succeed. • features specially commissioned chapters from key authorities who address core areas of Applied Linguistics, including both traditional and more cutting edge topics, such as: grammar, vocabulary, language in the media, forensic linguistics, and much more. • contains a study skills section offering guidance on a range of skills, such as: how to structure and organise an essay, the conventions of referencing, how to design research projects, plus many more. • is supported by a lively Companion Website, which includes interactive exercises, information about the contributors and why they've written the book, and annotated weblinks to help facilitate further independent learning. Ideal for advanced undergraduate and postgraduate students of Applied Linguistics and TEFL/TESOL, Introducing Applied Linguistics not only presents selected key concepts in depth, but also initiates the student into the

discourse of Applied Linguistics. Susan Hunston is Professor of English Language and Head of the School of English, Drama, and American & Canadian Studies, at the University of Birmingham, UK. David Oakey is an Assistant Professor in the Applied Linguistics Program at Iowa State University, USA. Contributing authors: Svenja Adolphs, Aileen Bloomer, Zoltán Dörnyei, Adrian Holliday, Alison Johnson, Chris Kennedy, Almut Koester, Ruby Macksoud, Kirsten Malmkjaer, Kieran O'Halloran, David Oakey. Juup Stelma, Joan Swann, Geoff Thompson, Dave Willis, Jane Willis and David Woolls.

The communicative approach is changing the face of foreign language teaching. It provides an introduction to communicative language teaching for practising classroom teachers. The author gives a single coherent account of the basic communicative ideas, emphasizing those aspects most important in the classroom so that teachers can integrate the new ideas into their own familiar methods. He stresses that a knowledge of grammar remains essential for effective communication.

An Introduction to Applied Linguistics, Second Edition provides a complete, authoritative and up-to-date overview of the state of the field. Each of the 15 chapters offers an extended survey of a central element of Applied Linguistics and is co-authored by two leading

international specialists, thus ensuring a full and balanced treatment of the topic covered. The book is divided into three sections: a description of language and language use; essential areas of enquiry; and the four skills and testing. An Introductory chapter familiarises readers with key issues and recurrent themes whilst hands-on activities and further reading sections for each chapter encourage practical analysis and wider reading. For this new edition, each chapter has been fully revised in line with new research and thinking in Applied Linguistics. With its accessible style, broad coverage and practical focus, this book is ideal for students of applied linguistics, TESOL, and second language pedagogy as well as practicing teachers and researchers wishing to update their knowledge.
