retire in 10 years, even if you have zero investments today Do you want to shorten your years working a 9-to-5 job and increase the years you'll spend doing what you love, while you can still do it? Traditional wisdom advises us to keep toiling, scrimping, and saving until we finally reach the retirement age of 60, after which we can live off what we've saved and hope we die before it runs out. But what if you can hustle more today so you don't have to wait until you're a senior citizen to enjoy life's freedoms? What if you can continue making money in retirement so that you can afford to leave a significant nest egg to your children? Real estate is lauded by many financial experts as a key to building wealth. It's a reliable means of beating inflation, a tangible investment that can be leveraged and can exponentially increase its value through capital appreciation. One of the best benefits of real estate is its income-producing opportunities. There are a lot of ways real estate can make you money, from flipping, rentals, and more. You can take advantage of these opportunities to build a regular pension that will provide a steady source of income -- and replace your day job -- way sooner than it would take with stock investments. If you're willing to put in the research and the leg work, retirement can come sooner rather than later by investing smartly in real estate. Get to know the fundamentals and processes involved in starting a real estate portfolio for retirement income in this handy guide to real estate investing. In Journey Towards Early Retirement Through Real Estate Investing, you will discover: How to determine exactly how much you need in order to retire (it might not be as much as you think!) How to buy your first investment property with limited funds and minimal experience The indispensable step you should never skip when selecting an investment property, which will save you time and money down the road How you can live in your property for free while easing into the world of real estate

With more than 350,000 units sold worldwide, this fan-favorite will show you every strategy, tool, tip, and technique you need to become a millionaire rental property investor.

This guidebook is going to take some time to explain all of the things that you need to know to get started with your first rental property. We will discuss the importance of financial freedom and how real estate investing, especially with rental properties, will be able to help you to reach those goals of financial freedom. From there, we are going to dive right into the process of searching for and finding the perfect rental properties for your needs. We will look at how you can look for a property, how to get the right financing, the importance of doing an analysis on the property, and even how to determine your return on investment to determine if you are actually going to be able to earn an income on all of the work that you do. In the final section, we are going to discuss what you will need to do when you actually own the property. We will look at how to find the right tenants, how to maintain and fix up the home, how to collect rental payments, and even how you may work with a property manager to help you get the income, without having to be there and help your tenants all of the time. Getting started in rental properties is going to take some time, dedication, and so much more. But for those who are looking for a good way to increase their financial freedom, and who want to be able to own their own time, then this is one of the best investment opportunities for you to go with.
