ICAR NET question paper gives an overview of how the question and answers are given in the examination. All the applicants who applied for ASR NET exam 2020 might be in search of old question papers. To help those candidates we have given the previous year paper of ASR NET exam in the pdf format on our page.

Biotechnology is a multidisciplinary subject which is now solving important scientific and societal problems for the benefit of mankind and environment. This discipline has gained lot of momentum once the genome has been sequenced. Molecular biology, bioinformatics, microbiology, proteomics, genomics, cell biology, drug designing, cloning, stem cell research are some major fields of biotechnology which gained more importance in now a days. This book will be highly useful for students, teachers and researchers in all disciplines of life sciences, medicine, agricultural sciences and biotechnology in colleges, universities and research institutions. Multiple choice questions will help the students for preparation of CSIR-UGC-NET and other competitive entrance examinations.

• Fully solved 15 sample question Papers as per the latest pattern of 2023 for PCB • Hints & Shortcuts given for tricky questions • Latest solved paper of 2022 fully solved. • NEET Solved Papers 2021 & 2022 fully solved • Mind Map: A single page snapshot of the entire chapter for longer retention • Mnemonics to boost memory and confidence • Oswaal QR Codes: Easy to scan QR codes for online content • Tips to crack NEET • Trend Analysis: Chapter-wise

This book aimed at learning various aspects / disciplines covered under the very broad / plethora of plant sciences facts and figures. The primary objective of this compilation is to help students analyse their knowledge of plants in context to cell biology, biochemistry, biotechnology, genetics, breeding, plant physiology, medicinal and aromatic plants along with botany. With the vast and enormous explosion of information available in plant sciences and allied disciplines, exam patterns are totally oriented towards multiple choice questions and objective type questions, as it is more reliable, precise and easier.

"Indira's Objective Agricultural Biotechnology" for competitive exams in agricultural biotechnology discipline contains 23 chapters covering all related disciplines. Model test papers and previous years solved papers have been given due importance at the end of the book present a general guidance of examination pattern. Each chapters contains multiple choice questions covering every aspects and total about 12000 objective questions with multiple choices have been framed and arranged sequentially. This book is primarily intended to serve as a ready reference for those appearing in competitive examinations of undergraduate, post graduate, M. Phil and doctorate programmes in Biotechnology of various Universities. The chapters are chosen in view to cover the course contents of competitive examinations like IAS, IFS, ARS, PCS, Banking, SLETs, UGC-NET and others.
